explosive munitions. The diversity is reflected in the papers presented at the conference. The papers were divided into several main sections: jetting basics -- materials; jetting basics -- fluid mechanics; mining and quarrying; civil engineering; new developments; petrochem; cleaning and surface treatment; and manufacturing. The high quality of papers presented at the conference has further reinforced its position as the premier event in the field. The volume will be of interest to researchers, developers and manufacturers of systems, equipment users and contractors.

Adobe FrameMaker 11 Classroom in a Book Adobe Creative Team 2013-01-03  
FrameMaker, which is at the core of the Adobe Technical Communication Suite, has long been the gold standard for writing, illustrating, and laying out technical documentation in print. With new features like support for rich media objects and powerful PDF export, FrameMaker excels at authoring online documents as well. This Classroom in a Book begins with a survey of the fundamentals of FrameMaker 11: setting up master pages, styling paragraphs, defining colors, placing graphics, creating tables, adding captions, cross-references, footnotes, and hyperlinks. Later chapters cover long-
