2017-03-04 Short stories about a woman becoming a queen. Poetry, and drawings

**Journey from the Land of No** Roya Hakakian 2004 An Iranian-American poet recounts her life as a daughter of Jewish parents growing up in Tehran, during which she witnessed the impact of the Ayatollah Khomeyni's return to the nation and contemplated political asylum. 40,000 first printing.

*Living Beyond the Waves* Jamieson Wolf 2017-01-14 *Living Beyond the Waves* is a poetry collection unlike any other. It contains poems that are part memoir and part journey towards acceptance. They are Wolf's attempt to find a life beyond disease or disability. The poems contained within deal with Wolf accepting all part of himself, even those he has no

control over. They are a testament to the strength of the human spirit. The poems show us that whatever life throws at us, with courage anything is possible. With unflinching honesty, Wolf talks about disease, sexuality, physical disability and the healing power of love.

**Assassins of the Turquoise Palace** Roya Hakakian 2011-09-06 A New York Times Notable Book. "A rumination on the Islamic Republic's culture of terror . . . [A] captivating narrative" (PBS). On the evening of September 17, 1992, eight leading members of the Iranian and Kurdish opposition had gathered at a little-known restaurant in Berlin when two darkly-clad men burst through the entrance. Within moments, the roar of a machine gun filled the air. Two rounds of fire and four single shots

later, four of the men were dead. One of the survivors of that shooting, along with the widow of one of the victims and a handful of reporters, attorneys, and fellow exiles, began a crusade that would not only pit them against Tehran but against some of the greatest powers in Germany. When an undeterred federal prosecutor and an endlessly patient chief judge took over the case, a historic verdict followed that shook both Europe and Iran, and achieved something few could have predicted—justice. “This is a brilliant, riveting book, with all the elements of a great thriller—a horrific crime, sociopathic villains, international intrigue, personal betrayals, a noble prosecutor and an honorable judge. And it is all too real: with remarkably comprehensive reporting

and brisk, smart writing, Roya Hakakian has told a great story but, more important, she has made plain the lethal immorality at the heart of Iran’s regime” —Joe Klein, Time Magazine

**A Beginner's Guide to America** Roya Hakakian 2021-03-16 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in [is also] a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in

America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In

shattering myths and embracing painful contradictions that are unique to this place, A Beginner's Guide to America is Hakakian's candid love letter to America.

**Certain Personal Matters** H. G. Wells  
2007-04 The world mends. In my younger days people believed in mahogany; some of my readers will remember it-a heavy, shining substance, having a singularly close resemblance to raw liver, exceedingly heavy to move, and esteemed on one or other count the noblest

**Deliver Me from Negative Self-Talk Expanded Edition** Lynn Davis  
2015-09-15 Change Your Words, Change Your World! Admit it, you talk to yourself. Whether you speak the words out loud or think them in your mind, you are always talking to yourself... about yourself. The important

question: what are you saying? Much of what we say is negative, hurtful and damaging, setting us up for failure. If you want to live the victorious, abundant life God has for you, start by changing what you say to yourself. This has the power to radically transform everything! In her relatable, down-to-earth style, Lynn Davis offers scriptural self care for the soul in need of encouragement. Learn how changing your self talk will help you: \* Experience victory over fear, bad habits and addictions \* Overcome negative emotions \* Think God's thoughts about yourself by changing your meditation \* Receive healing from sickness \* Increase your self-esteem \* Make declarations that strengthen your faith Get delivered from negative self talk today and

begin speaking powerful, faith-filled words that unleash God's purpose, joy, and healing in your life! Assassins of the Turquoise Palace Roya Hakakian 2012-09-01 Offers the true story of the brutal murder of four Iranian opposition leaders, the subsequent investigation and the trial that has been considered by some to be the most groundbreaking legal case since the Nuremberg trial. By the author of Journey From the Land of No.

**Going to Tehran** Flynt Leverett 2013-01-08 An eye-opening argument for a new approach to Iran, from two of America's most informed and influential Middle East experts Less than a decade after Washington endorsed a fraudulent case for invading Iraq, similarly misinformed and politically motivated claims are

pushing America toward war with Iran. Today the stakes are even higher: such a war could break the back of America's strained superpower status. Challenging the daily clamor of U.S. saber rattling, Flynt and Hillary Mann Leverett argue that America should renounce thirty years of failed strategy and engage with Iran—just as Nixon revolutionized U.S. foreign policy by going to Beijing and realigning relations with China. Former analysts in both the Bush and Clinton administrations, the Leveretts offer a uniquely informed account of Iran as it actually is today, not as many have caricatured it or wished it to be. They show that Iran's political order is not on the verge of collapse, that most Iranians still support the Islamic Republic, and that Iran's regional influence

makes it critical to progress in the Middle East. Drawing on years of research and access to high-level officials, *Going to Tehran* explains how Iran sees the world and why its approach to foreign policy is hardly the irrational behavior of a rogue nation. A bold call for new thinking, the Leveretts' indispensable work makes it clear that America must "go to Tehran" if it is to avert strategic catastrophe.

**A Beginner's Guide to America** Roya Hakakian 2022 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in is also a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The

Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly

perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, *A Beginner's Guide to America* is Hakakian's candid love letter to America.

I'll Get That Job! Paolo Casamassima  
2015-05-20 Maybe you're a recent college graduate, looking for a successful start to your career. Or an experienced professional, feeling the need to try something new. Either way, a whole host of opportunities await you-but if you really hope to ace that interview and get the job you want, you'll need the right skills to get ahead. So when you're

navigating the complex twists and turns of today's changing job market, let I'll Get That Job! serve as your road map and guide. Featuring advice from real HR professionals, headhunters, and team managers, this essential job-hunting companion will let you know exactly what you need to do to increase your chances, from social media presence to writing a great CV. While shedding light on the many myths and outdated "rules" that may actually bog you down in today's job-seeking experience, I'll Get That Job! serves as a source of motivation and encouragement for modern job hunters. After all, with hard work and the right mind-set, it really is possible for you to get that job you've always wanted-and become the most successful version of yourself along the way!

**Unlucky Day** J R McLeay 2020-10-19 A lone sniper. Eight million targets. An entire city on edge... A mysterious sniper is killing random New York City citizens at the same time every day. Detective Joe Bannon and his partner Hannah Trimble follow the trail of clues down repeated blind alleys. With citizens fearing to venture outside, the streets of Manhattan have become nearly deserted. When the sniper begins escalating the profile of his targets, higher level government agencies are pulled in. But the shooter always seems to be one step ahead of the law and slips away whenever the authorities get close. As copycat killings begin spreading to other cities across the U.S., the President hatches a dangerous plan to trap the killer. Can Joe and Hannah

catch the assassin before he executes the most closely guarded man in history? Catch the excitement - read the reader reviews: "The best thriller I've read in the last 12 months." "Gripping page turner." "Nonstop scary thrill ride." "Couldn't put it down." "The best of the best." "McLeay: A star is born." "A remarkable work." "You need to read this one." Get your pulse pounding today with this unputdownable thriller!

The Kurds in the Middle East Mehmet Gurses 2020-06-22 While dramatic changes taking place in the Middle East offer important opportunities to the Kurdish century-long struggle for recognition, serious obstacles seem to keep reemerging every time the Kurds anywhere make progress. The large Kurdish geography, extending

from western Iran to near the eastern Mediterranean, and a century of repression and denial have engendered various Kurdish groups with competing and at times conflicting views and goals. The Kurds in the Middle East: Enduring Problems and New Dynamics, with an emphasis on continuity and change in the Kurdish Question, brings together a group of well-known scholars to shed light on this complex issue.

**Journey from the Land of No** Roya Hakakian 2007-12-18 An emotional, evocative coming-of-age story about one deeply intelligent and perceptive girl's attempt to find her own voice in prerevolutionary Iran "An immensely moving, extraordinarily eloquent, and passionate memoir."—Harold Bloom Roya Hakakian was twelve years old in 1979 when the

revolution swept through Tehran. The daughter of an esteemed poet, she grew up in a household that hummed with intellectual life. Family gatherings were punctuated by witty, satirical exchanges and spontaneous recitations of poetry. But the Hakakians were also part of the very small Jewish population in Iran who witnessed the iron fist of the Islamic fundamentalists increasingly tightening its grip. It is with the innocent confusion of youth that Roya describes her discovery of a swastika—"a plus sign gone awry, a dark reptile with four hungry claws"—painted on the wall near her home. As a schoolgirl she watched as friends accused of reading blasphemous books were escorted from class by Islamic Society guards, never to return. Only much later did

Roya learn that she was spared a similar fate because her teacher admired her writing. Hakakian relates in the most poignant, and at times painful, ways what life was like for women after the country fell into the hands of Islamic fundamentalists who had declared an insidious war against them, but we see it all through the eyes of a strong, youthful optimist who somehow came up in the world believing that she was different, knowing she was special. A wonderfully evocative story, *Journey from the Land of No* reveals an Iran most readers have not encountered and re-creates a time and place dominated by religious fanaticism, violence, and fear with an open heart. *Ashes of My Heart* Lamelle Shaw  
2017-09 *Ashes of My Heart*, takes us on a journey through moods of a

woman, motherhood and memories. She gives her raw sentiments. Lamelle writes from the heart and shares in depth emotions and draws you in to her poetry from the first line to the terminal twists. An all-around artist, her writing like her music is raw and unscripted and filled with passion.

*Every Mile Matters* Moon Joggers  
2016-03-02 What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired.

**Hotlanta** Anthony London 2015-05-26  
The hum of the machines wasn't what Martice wanted to hear right now but it was a sign that he was getting

something done around here. He had walked into the Print & Document Service Department of Max Office Superstore to find mounds of work waiting for him, you'd think by now he was used to it, but like all the other things you'd think he would be use to by now he wasn't. Six months ago he had meet the guy he was sure was the one, while it was a rocky start in the end or at least up till now things where still good. Yea Dre still had his bad habits, but Martice know he was faithful even with all the flirting... Read this compelling short story to find out where things lead with Martice in "Hotlanta."

**The Pirate City: An Algerine Tale**  
Robert Michael Ballantyne 2019-04-04  
The New Authoritarianism Alan Waring  
2018-11-21 This two-volume book considers from a risk perspective the

current phenomenon of the new Alt-Right authoritarianism and whether it represents 'real' democracy or an unacceptable hegemony potentially resulting in elected dictatorships and abuses as well as dysfunctional government. Contributing authors represent an eclectic range of disciplines, including cognitive, organizational and political psychology, sociology, history, political science, international relations, linguistics and discourse analysis, and risk analysis. The Alt-Right threats and risk exposures, whether to democracy, human rights, law and order, social welfare, racial harmony, the economy, national security, the environment, and international relations, are identified and analysed across a number of selected countries. While

Vol. 1 focusses on the US, Vol. 2 (ISBN 978-3-8382-1263-0) illuminates the phenomenon in the UK, Austria, France, Germany, Netherlands, Norway, Italy, Hungary, and Russia. Potential strategies to limit the Alt-Right threat are proposed.

**Unthinkable** Kenneth Pollack  
2013-09-10 The world's foremost expert on Middle Eastern relations examines Iran's current nuclear potential and charts America's future course of action.

**Studies in Intelligence** 2013  
*Guardians of the Faith* Martin Alan Feigenbaum 2009-11 A knee injury ends Rayfield "Liftoff" Lifton's dreams of becoming a first-round draft NBA pick, so he pursues a career in law. After a dozen years as a state prosecutor, he gets a second chance at glory when he takes on what could

turn out to be a high-profile case against a white-supremacist group under a controversial new hate-crimes law.

Tropiline Bajan Design Don J.b. Blackman 2014-01-16 This black and white (B&W) Edition of Tropiline Bajan Design (USA Design Patent Des 328198 S) was designed to be of special value to students, artists, and academics. It is about the best modern product design ever to come out of an emerging market and is a major advance in international modern art with cultural, personal, and regional influences all synthesized to produce a masterpiece. It is a single line drawn in space as the essence of the design, like Malevich's rotated linear squares, Saarinen's St. Louis Arch, and Brancusi's Bird in Space!“Even less

is even more” permeates the philosophy, which is an amazing chronology of the creative process, the struggles of innovative artists, perseverance and determination (as the design moves around the world from Barbados, to Denmark, to China); with a challenge to all emerging markets (and communities) to move forward modern progressive principles in an age of increasing globalization and international cooperation. The B&W version has a chiaroscuro that is very powerful allowing the brilliant modern forms throughout the book to emerge purely.

The Secret History of Pythagoras Pythagoras 2011-06 THE Translation of this venerable Piece of Antiquity is undertook upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to

supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater

Disdain, than I have translated with Pleasure, the Contents of this Book. *Ghosts in the Graveyard* Robert Ropars 2014-10-31 Some games only children should play... Ten years ago, three girlfriends set out to play an innocent child's game: Ghosts in the Graveyard. They knew they shouldn't sneak into a cemetery on Halloween night, but the twins, Lisa & Louise Grady, and Ari West were always up for some mischief. When one of the twins disappears without a trace that night, her sister and best friend never recover from that loss. Now Ari must race against time to find out what really happened to her lost friend. In this spellbinding Gothic horror story, Ari and her family become convinced something is trying to possess her. As they experience increasingly violent psychic

phenomena, will she learn what really happened ten years ago before history repeats itself and her soul is lost forever?

Memoirs of a Security Contractor Paul Yurkin 2015-09-09 Paul "Chuck Norris" Yurkin has never been one to give up. A product of the inner city projects, he pulled himself up by the bootstraps and enlisted in the Marine Corps-serving proudly in Desert Storm before beginning a fifteen-year career with the Myrtle Beach police force. But when he saw the efforts of his policing failing to create any positive change, it wasn't long before Yurkin became jaded by the system as a whole. Seeking a new life for himself and his daughters, he met up with a private contracting firm and began training for a trip to sunny Afghanistan, where he would

work on training the fledgling Afghan National Police. In the midst of two weeks of training in Virginia, he earned the nickname that would stick with him for years to come-and met three best friends that remained by his side through dangerous missions, misadventures, and the frustrations of being stationed abroad. In Memoirs of a Security Contractor, Yurkin tells the true story of his time as a security contractor in Afghanistan in candid detail-in an eye-opening tale of determination, friendship, and never giving up.

**The Jerk Next Door** Komal Kant 2016-12-27 Single, lacking cooking skills, and too awkward to function, Isla Matthews is content to spend her nights alone, and her days struggling to keep her cute little flower shop afloat. That is until a super-hot,

Australian man shows up naked in her front yard-- her new neighbor, Leo Wayland. An irritating, free spirit with no boundaries, Leo eats her food, uses her hot water, and, worst of all, saunters around shirtless, causing her to have all kinds of inappropriate thoughts about him. But as much as Leo rubs her the wrong way, Isla can't deny that he is filling up her lonely nights with his annoying smirks, making her laugh again, and daring her to change, one day at a time. Maybe, just maybe, Leo Wayland is exactly the smoldering intervention Isla needs to get her life back on track.

### **Alone In Vietnam**

**Bearcity** Lawrence Ferber 2013-06-01  
Based on the award-winning feature-length movie, Bear City: The Novel follows the funny, romantic, and

often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

**Asylum** Jenny Miller 2013-03-19 After being found guilty of first-degree murder, sixteen-year-old June Foster is sentenced to life at Washington

Pines Sanitarium. June remains convinced that she was right to kill a man she knew was evil, but as time goes on in the asylum, she begins to question everything she knows. Or thought she knew. As the events leading up to her incarceration are recounted, she begins to understand that the web she finds herself in is far bigger and stickier than she ever imagined. The warden of the facility, both violent and vindictive, is intent on making June's life a living hell. June's previous boyfriend, beautiful turquoise-eyed Frank, is the only one she can trust. Or is he? Caught in the middle of child experimentation with untested drugs, arson, and murders, June Foster is reduced to two options-accept the fact that she has gone crazy, or hatch an escape plan from the asylum

to get her life back. Set in America during the 1950s, *Asylum* is a book you will not be able to put down. The author pulls you along relentlessly in a page-turning thriller that leaves you wanting more with each sentence-to a mind-blowing and unexpected conclusion you will not believe.

*Her Lover* Maxim Gorky 2018-04-04  
Author Introduction Alexei Maximovich Peshkov primarily known as Maxim Gorky , was a Russian and Soviet writer, a founder of the socialist realism literary method and a political activist. He was also a five-time nominee for the Nobel Prize in Literature. Gorky's most famous works were *The Lower Depths* (1902), *Twenty-six Men and a Girl*, *The Song of the Stormy Petrel*, *My Childhood*, *The Mother*, *Summerfolk* and *Children*

of the Sun. He had an association with fellow Russian writers Leo Tolstoy and Anton Chekhov; Gorky would later mention them in his memoirs.

*Doctor Zhivago & an Anatomy of a Revolution* Anna Matzov 2015-11-14 An anatomy of a revolution through the perspective of a free individual.

"This is how Greece became Rome and how the Russian Enlightenment became the October Revolution." *Doctor Zhivago* -- Boris Pasternak

*Killing Kennedy* Steven Hager 2017-01-22 Despite an avalanche of disinfo being dumped by the major media over the decades, the assassination of JFK has finally unraveled. A renegade CIA station working with a Sicilian secret society orchestrated the hit, but their participation would never have

been so massively covered-up unless they were working for elements higher up the chain-of-command. Whether you are new to this case, or a longtime researcher, you will find these penetrating essays both entertaining and enlightening.

The Rose and the Sword Gina Marinello-Sweeney 2017-01-08 Can a rose survive in winter? Rebecca Veritas is eager to pursue her dreams as a clinical psychologist. After receiving a full scholarship for an internship, she leaves the quiet suburban town of Cedar Heights for the big city of Los Angeles. As she adjusts to her new surroundings, she finds solace in a mysterious antique bookstore. Yet, as her thoughts still linger on someone from her past, she is unaware that the present has the potential to haunt her the most. As

time passes, a growing sense of unease quickly transitions into more disturbing events that make her question if all is as it seems. When circumstances take an eerie turn, Rebecca will find herself a player on a larger scale than she had ever anticipated, a scale that could cause one to pay the ultimate price. In this riveting sequel to *I Thirst*, the adventures of Rebecca Veritas, the young, introspective dreamer with an inclination toward random insanity, continue.

Eight Days in October DM Schwartz  
2017-02-04 A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to

find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy

the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

**Dr. Fries-With-That** Joshua Renken  
2015-04-27 Hello. My name is Josh, and I'm a dentist. If you are like me, that simple introduction typically sets off one of several severe reactions. The uncomfortable shuffle as the person you just met tries to get away from you. Or maybe it goes the opposite direction and an emergency exam about tooth whitening ensues. Like you, I decided to pursue this career years ago because I wanted to help people. Like you, I go to the office every day and do many things that are hard to reconcile as actually "helping people." I wrote this book because you and I probably

share one distinct fear. You know the one. The one where you sink years of your life, thousands upon thousands of dollars, and many sleepless nights into a profession. The fear that, despite all that effort, you end up a nameless face working for a big box organization that doesn't care about you, your co-workers, or the people you are serving. **Dr. Fries-With-That** is a book about getting past that fear and finding a new way forward.

**Rural Rides** William Cobbett  
2020-04-09 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast

England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Crazy H. R. Stokes, III 2012-07-26

CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later

hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

*Hi My Name Is Cj* Willetta J. Davis 2013-12 *Hi My Name Is C.J.* is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and colorizing the characters. Have fun and use your imagination.
