The 27 Celestial Portals Prash Trivedi 2005-03
It is common knowledge that the 12 star-signs map the sky and set the stage for the drama of life. This book expands this awareness manifold by revealing that it is the 27 constellations, and not the 12 signs, which truly map the ecliptic and provide the celestial backdrop for affairs on earth. Instead of taking away from the widely recognized meanings and significations of the 12 signs, they enrich them with a whole new depth of perspective and interpretation.

Aspects in Vedic Astrology Gopesh Kumar Ojha 2002-10 Through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart, there has been no single work which deals comprehensively with the theory and delineation of aspects in Vedic Astrology. This book fills a void by providing a clear and concise treatment of the subject. The authors have drawn their material from the ancient and medieval classics of Vedic astrology, preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life.

Astro Remedies: a Vedic Approach Raj Kumar
A native suffers or enjoys (with the former having a dominant part) in life as per his prarbdha/destiny. Astrology does indicate what one has to endure and what one can overcome. Whereas great strides have been taken and wonderful results obtained regarding influence of planets, both benefic & malefic, on human beings, the same can not be said about finding out the remedies for their malefic results. Each remedy is basically a prayer to the Almighty to bail the native out of a difficult situation. It is our Kartvya Karma as part of Prarbdha/Kiryaman Karma to observe remedial actions to keep our body and mind healthy. In a horoscope, destiny/luck is indicated by 9th house and 3rd house represents Purshartha, the free will or Kiryaman Karma, done with a strong will & belief to smoothen the path of destiny. The life or the path of human development is a story of constant struggle between the destiny and Purshartha/remedies, with dices heavily decked against the later. The success of the remedies rests upon the strong will, belief & faith one has in the remedy and one's total unconditional surrender before the relevant deity. There are various modes of remedies, one can chose from depending on his faith/belief, like colour therapy & Gems, Mantra, Yantra, Tantra & Rudraksh, bath, fast & charity, propitiation of curses and age old folk treatments of Lal Kitab. All these have been covered in this book as an aide-memoire to a native in his fight against misfortune.

Political Theory Eddy Asirvatham | KK Misra 1995

This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet. It is a comprehensive treatise on basic structure of established political theories, be it Bosanquet's idealistic theory of the State to liberal and anti-idealist view, as expressed by L T Hobhouse, to the Marxian theory of the State. The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods, techniques and skills rather than on first principles and value judgements. It is developed for the undergraduate students of Political Science (Pass and honours courses). Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful.

Nakshatra - The Authentic Heart of Vedic Astrology Vic Dicara 2019-01-31 The Nakṣatra Sūtra is a treasure found in the Taittirīya Brāhmaṇa, a branch of the ancient Yajur Veda. Because of this, it holds unique importance and unparalleled authority among nakṣatra texts, for it allows us to understand the nakṣatras in much clearer accord with the Vedic sages who originally envisioned them. I also supplement the book with other sections from the Taittirīya Brāhmaṇa that also talk about the nakṣatras, and with a section entitled, The True Story of the Nakṣatra Gods: a dramatic narration of the 27 nakṣatra divinities, focused on what is most relevant to their nakṣatra's symbolism. This original work pulls together diverse Purāṇic and Vedic source material to paint a vivid picture of often unknown tales and details essential for fully

understanding the subtleties of the 27 Vedic stars.

In Search of Destiny Edith Hathaway 2012-04-15 Called a "path breaker" among astrology books, with original research and in-depth coverage, the author combines non-technical and technical material very effectively in a compelling narrative. This book contains a riveting choice of biographies and historical, cultural events that illuminate both individual AND collective destinies. When Vedic astrology - the astrology of India - is combined with biography, history, politics, the arts and culture, a key missing component is provided to all of the above. In Search of Destiny is for astrologers, astrology students as well as for the layperson. The only criterion is an interest and openness to astrology. Find out how the planets affect individuals and whole nations and societies, and how the chart of a national leader is never separate from the nation ruled - for as long as he or she is in power. An extensive glossary, footnotes and index help the reader to navigate through the wide-ranging information provided in this book. For the novice, Chapter 2 provides a succinct summary of Vedic astrology and philosophy. Vedic charts are presented in both North and South Indian format, with the lifetime planetary cycles of the Vimshottari Dasha system - for which Vedic astrology is so famous. Any astrologer will benefit from the depth of research done here, and the layperson will find this a user-friendly book that broadens the horizons. "Edith Hathaway's remarkable new book In Search of Destiny is an astrological sensation on many levels. ...A narrative of individual dharma woven in the context of collective destiny.... Her innovative research of the 20-year Jupiter/Saturn cycles over a 1000-year period bears rich historical and thematic fruit... and includes her current and future predictions. I highly recommend In Search of Destiny ..." Dennis Flaherty, Vedic astrologer, President of CVA (Council of Vedic Astrology), Washington, USA. **GK win Degree System of Astrology** Tirupur S.GopalaKrishnan(GK) 2019-06-18 It is a simple method for prediction through which, even a person with a basic knowledge of astrology can give predictions based on the birth chart. The method utilizes the degrees of the planets in the birth chart. The planets in the highest degree and

lowest degree are taken into account. Even planets which are 6/8 positions away from each other, will be combined when their degrees are close. Through this method we can predict whose relationship will be beneficial for him/her. We can also predict the planets which will support him though out his/her life, the gods whom should be worship and so on. Predictions together with the planets in the transit and the birth chart are also easily given.

Foretelling Widowhood Mr̥dulā Trivedī 2008 Foretelling Widowhood is the fruit of research work carried out by us during the last two decades. A work of predictive astrology, it amalgamates a plethora of principles enshrined in various classical texts and practical study of birth charts of those who have been unfortunate enough to suffer the immeasurable grief and plight of untimely widowhood. Untimely widowhood is the biggest tragedy that can befall a woman and is irreversible. In olden days, widowhood in general and untimely widowhood in particular was considered an unpardonable sin and a woman had to commit Sati, that is to mount the pyre of her late husband. Was not this inhuman? Women would be ever grateful to Raja Ram Mohan Rai whose untiring efforts led to

rooting out of this obnoxious practice. A common belief among masses, as also amongst self-styled astrologers, is that mangati females or those females having kuja dosa in their birth charts are predisposed to suffer widowhood. We would like to humbly opine that this belief is only partially correct. It is not certain that females having kuja dosa will essentially undergo the miseries of marital disaster such as widowhood. Many females, who suffered untimely widowhood, were not mangati either from ascendant, or from Moon or from Venus. This is definitely a wrong concept that widowhood will curse only a mangati female. In fact, much is not known about the kuja dosa and its actual effect.

Star Guide to Predictive Astrology K. B. Parsai 2001 Well-known scholar and astrologer, Pandit K.B.Parsai and his son, D.K.Parsai, present a blockbuster on astrological guidance and "prediction-sutras", never before passed beyond father to son or guru to a chosen disciple. This book details the subjects to be considered for making predictions under each of the 12 Houses in the birth-chart of a person and the effect of each planet, including its combination with another planet. Written in a lucid style, the book is replete with examples, personal observation and experience ranging from the erstwhile Indian states of pre-independence to the 21st century. The technical aspects of Predictive Astrology are reproduced here in a simple, easy to follow language for the average reader, students of

astrology, and experts. Pandit K.B.Parsai, 79, belongs to a renowned family in Madhya Pradesh with a rich heritage of 25 generations of expertise in astrology. His ancestors have been astrologers to Indian Royals like the Rathor Maharajas of Jodhpur, Sisodiya Maharanas of Udaipur (Mewar), Rathor Rajas of Ratlam and Sitamau.

Encyclopedia of Vedic Astrology: Remedies

Shanker Adawal There are large number of books available in the public domain which talks about various remedial methods that could be followed. Also there are groups of people who talk about the benefits of yoga, mantra, yantra and allied topics, each of which has a scientific logic as is the case with the manuscripts left behind by the Rishis. As we all are aware, there are planets which by their interaction, govern our destiny. My belief, developed during the study of this science, is that destiny depends on four major things in equal proportion. These are; our previous karma, the place where we are staying, the people with whom we interact and our own efforts. These are the four parameters and within each comes the important of a large gamut of activities. There is a complex equation that is a matter of study and research which, like any other science, gets deciphered and known. I therefore believe that chart at the time of birth, coupled with the year's horoscope and the time at which the query is being asked, have to be co-related and a vector from them gives the correct analysis of the query. Similarly, as each planet is associated with a colour and the colours are in turn related to vibrations - a complex phenomenon by itself; the various mantras, colour therapy and other remedies have relevance.

Encyclopedia of Vedic Astrology: Planetary

Transit Shanker Adawal Transits are one of the main means used in horoscope reading. They are used to forecast future trend and developments. Astrological transit is about interpreting the ongoing movement of the planets as they transit the horoscope. These transits are studied in the Natal Charts to tell about the timing or fructification of the events. In this book the initial chapters deal with the basic understanding of the meaning of Transit, the rules to be applied and about the planets. We have also dealt with the rules to be applied in predicting the result of

transiting planets. Basic Transit Rules of planets in Houses, Signs, Nakshatra and Divisional Charts is explained at length. The book then dwells in factors that modify the results of a Transit. It then goes into explaining the impact of the transiting inner planets. I have also gone in details explaining the impact of Jupiter, Saturn, Nodes and Mars in Transit with various permutation and combination.

The Divine Forces of the Lunar Naksatras Radhe 2014-08-18 In The Divine Forces of the Lunar Naksatras, the ancient Vedic portrayal of the twenty-seven nakshatra rulers are revealed. Included are their characterizations, mystical powers, sacrificial roles, myths and legends. The translation of several critical Sanskrit texts never before available to the Jyotisa community are presented. Testimonial: "The Divine Forces of the Lunar Nakshatras is a great resource for any Vedic astrologer who is truly interested in understanding the mythology behind the Nakshatras. It is a scholarly work that deserves a place on every Jyotishi's bookshelf!" James Kelleher "This book is an extraordinary labor of love birthed after a decade-long gestation period. I have not encountered any other work on nakshatras deities that has been so thoroughly researched and has woven together the Vedic and Puranic references into a coherent thesis. The attention to detail is astounding as is the dedication to faithful transliteration of the Sanskrit and the care given to cite the original sources. It is a serious work that will greatly facilitate further research and inquiry on the part of lovers of the Vedic tradition." Penny Farrow Nakshastras Dennis M. Harness 2004-09 The Book by Dr. Dennis Harness provides an excellent practical presentation to this important astrological system. It shows us how to access the wisdom of the Nakshatras in our personal life and for our society. Through it, the modern reader can understand the energies of their stars and learn how to utilize these to bring their lives into harmony with the great forces of the universe. The book is a must reading not only for any students of astrology but for any students of astrology but for anyone interested in self-development or spiritual growth.
