**A Wayfaring Stranger**

Veronika Kusz 2020-01-21

On March 10, 1948, world-renowned composer and pianist Ernst von Dohnányi (1877–1960) embarked for the United States, leaving Europe for good. Only a few years earlier, the seventy-year-old Hungarian had been a triumphant, internationally admired musician and leading figure in Hungarian musical life. Fleeing a political smear campaign that sought to implicate him in intellectual collaboration with fascism, he reached American shores without a job or a home. A Wayfaring Stranger

presents the final period in Dohnányi's exceptional career and uses a range of previously unavailable material to reexamine commonly held beliefs about the musician and his unique oeuvre. Offering insights into his life as a teacher, pianist, and composer, the book also considers the difficulties of émigré life, the political charges made against him, and the compositional and aesthetic dilemmas faced by a conservative artist. To this rich biographical account, Veronika Kusz adds an in-depth examination of Dohnányi's late works—in most cases the first analyses to appear in musicological literature. This corrective history provides never-before-seen photographs of the musician's life in the United States and

skillfully illustrates Dohnányi's impact on European and American music and the culture of the time.

Weavers of Song Mervyn McLean 1999 This work is a study of Polynesian music illustrated by music examples and photographs.
