From brand new experiences, to new self-discoveries and awakenings, to lusty first times, and love that stands the test of time, these three gay romances by gay romantic fiction favorites Raiden King, Topher James, and Reya Karl will make you laugh, smile, cry, fan yourself, and leave you wanting more. Contained in this 300 page box set are the gay romance books A Second

Chance, The New Assistant, and The Plan. * A Second Chance I never thought I'd love again. Even if I could, I didn't even know if I wanted to. I was betrayed... I had my heart broken. And I was in mourning... I lost a dear friend. Something inside me just shut down. I didn't want to go out. I didn't want to face the world. But then I saw him again... Keifer... the man who broke my heart. And it all came rushing back. The emotion, the fire... the heat... the memories... the rage. So I punched him. Yeah, I punched him real good. I thought it would be over. I never expected to keep thinking about him. I never expected that he... that he was still thinking about me. I always said to myself that I wouldn't give anybody a second chance. Cross me, and you're out, gone, and we're finished. But now I find myself changing my tune. I don't know if I'll be able to give him a second chance. But I know that I'm going to try... and we'll see where this goes. Because I still love Keifer. And doesn't love deserve a second chance? * The New Assistant I lost a lot that day. Almost everything. That day they still come to my door to ask me questions about. That day the reporters won't ever forget... I knew I would mourn... And I knew I would grieve... But I never truly realized that... one day... I'd move on. It all started with my new assistant. His eyes looked into my soul. I felt as if I was falling into them. I became obsessed with him. Me, a man previously married to a woman! And here I was, fantasizing about a colleague at work, a subordinate, no less. What a cliché. But it was what I was feeling, and I was determined to keep it to myself. I failed, of course. Everything all started to unravel when I told him he was beautiful. And my world stopped dead. * The Plan Simon Bad break-up, moving to a new city, starting a new job. Who hasn't experienced that before? I expected this whole thing to be cliché and predictable. What I never expected was for my new boss, Greg, to be drop-dead gorgeous. Six-foot tall, endless eyes, and a sexy-as-sin body that I could explore every inch of. Just one problem, though... I don't know if he's gay. I can't stop thinking about my new

boss... and of all the ways he could touch me. Of all the ways he could love me. I need a plan if I'm going to get this man. * Greg I never pass up an opportunity, both professionally and personally. So of course I took the opening to be the new project lead. And of course I took an interest in the new hire, Simon. What I didn't expect was chocolate eyes and gorgeous curls. What I didn't expect was to want to take Simon home the very first time I saw him. But there's a problem... he's my subordinate. I've never let rules stop me before, though. I'm going to make Simon mine, and he'll have to do what I say. *

Sound Of Love: A Gay Romance Collection (M/M Romance Bundle) Topher James Sound Of Love: A Gay Romance Collection is the third bundle of 3 sensual and steamy M/M romances from authors Topher James, Raiden King, and Reya Karl, who previously brought you Journey Of Love: A Gay Romance Collection, and What The Heart Wants: A Gay Romance Collection. From sexy and sweet brand new experiences, to new self-discoveries and awakenings, to lusty first times, and to love that stands the test of time, these three gay romance stories will make you laugh, smile, cry, fan yourself, and leave you satisfied. Contained in this 350+ page box set anthology are the M/M romance books Where You Least Expect, The Young Nurse, and The Reunion. * Where You Least Expect Love is confusing. It intertwines with lust, with a base attraction so animal and powerful, it can make a man do things he shouldn't. It can make a man think things are one way... when they are the other. I thought I was in love with Terrence. He was everything I wanted in a man. But I slowly began to realize that I was just in love with the fantasy of him. Terrence in theory. And the person I was really falling in love with... the man who would stand by my side, love me, support me... Was someone I could never have imagined. Greg used to cruise for girls. Greg was the ladies man on campus, a star athlete back in the day. And here he was... his gorgeous eyes looking right through me. And he's telling me that he's

falling for me... And that this could be the beginning of our happily ever after. * The Young Nurse My marriage to my wife ended once the kids left the house. All of a sudden, we didn't know each other. We divorced. It was amicable. It's not exactly a new story. Here I am, forty-three, and in shape. Not to get too cocky, but let's just say I'm the kind of man my age who is *very* eligible. The problem? Every woman I've dated I've had no interest in. What exactly is wrong with me? Then I got sick. I had to stay in the hospital. That's where I met Taden, my young, handsome male nurse... ..And everything in my life changed. He asked if I needed help getting into the shower, and he helped me undress. His touch lingered on my skin like electricity. But I'm not gay. I'm attracted to women! So why do I find myself thinking about Taden every waking minute? Why do I fantasize about him in my dreams? And why do I desperately want to tell him... ..so he can touch me again? * The Reunion It all started with a chance encounter. I bumped into Gary in St. Ives, the sea-salty air whipping past us. His deep brown eyes stopped time itself, and the coppery hair that lined his chest sparkled in the sun. Little did I know that we were schoolmates way back when. An impromptu reunion, you could say. But I had no idea what lay in store for me. Gary invited me onto his yacht. Gary flirted with me. And before I knew it, every inhibition I had was crumbling. This was supposed to be a relaxing holiday. Who could have expected it would turn into a torrid affair with a gorgeous man? Who could have expected that happily ever after might just be on the itinerary? * **So In Love Box Set** J.M. Snyder 2016-06-10 Eight short contemporary stories celebrating gay love in its many forms. When local musician Randy Blake asks Dane to stop by for a private jam session, Dane is ecstatic. But it seems Blake has something other than music on his mind. Krish doesn't trust Blake, but a more pressing question, though, is can he trust Dane? Love in the Library: Johnny's job at the campus library isn't as glamorous as it sounds. In fact, when the wheels of the returns cart get stuck in the gap between the floor and the elevator, he's ready to just quit right there. But a stranger's kindness leads to chance encounter that improves Johnny's whole semester. Maybe: Josh blames himself for the strained relationship he has with his ex-lover, DeMar. became standard and the term "super couple" was coined by the media, marking a new era of experimentation and growth in daytime soaps. This book documents the phenomenon, tracing its history, legacy and impact on the soap opera industry and on popular culture at large.

Gay and Lesbian Elders Nancy J. Knauer 2016-04-15 The approximately two million gay and lesbian elders in the United States are an underserved and understudied population. At a time when gay men and lesbians enjoy an unprecedented degree of social acceptance and legal protection, many elders face the daily challenges of aging isolated from family, detached from the larger gay and lesbian community, and ignored by mainstream aging initiatives. Drawing on materials from law, history, and social theory, this book integrates practical proposals for reform with larger issues of sexuality and identity. Beginning with a summary of existing demographic data and offering a historical overview of pre-Stonewall views of homosexuality, author Nancy J. Knauer goes on to address the invisibility of this community. She examines the multiple double binds central to their identity formation, including ageism among gays and lesbians and homophobia among seniors. Further, the book focuses on specific legal concerns such as estate planning, housing, discrimination, and financial insecurity, and how they impact this community uniquely. Integrating theory with practical questions of policy, and advancing a new understanding of the construction of sexuality and identity, this book advocates meaningful new reforms designed to ensure equity and dignity in aging regardless of sexual orientation.

Freshman Fantasies Nathan Bay 2021-10-03 Miguel held me tight, his hips swaying close to mine. My fingers traced his jawline, tentative at first. I thought he'd pull away, but he smiled against my hand. I caressed a line down his neck, brushing over the dark curls of hair that spilled from his open collar. As the throbbing music led us deeper into the fantasy, he spun me around, pulled me back into his arms, and then dipped me. I felt dizzy and drunk with lust. My cheeks flushed with heat. I liked the way he took control. Something familiar stirred in his brown eyes. His tongue swiped across his bottom lip, polishing it like a smooth wedge of rose quartz. Time stood still. The world melted away. He pulled me closer, and then... Find out what happens next! Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses Carola Katharina Bauer 2013-06-01 Despite the fact that there actually exists a large number of pornographic and

romantic texts about male homosexuality consumed and produced by American women since the 1970s, the "abnormality" of those female cross-voyeurs is constantly underlined in U.S. popular and academic culture. As the astonished, public reactions in the face of a largely female (heterosexual) audience of "Brokeback Mountain" (2005) and "Queer as Folk" (2000-2005) have shown, a woman's erotic/romantic interest in male homosexuality is definitely not as accepted as its male counterpart (men consuming lesbian porn). In the academic publications on female cross-voyeurs, the application of double standards with regard to male/female cross-voyeurism is even more obvious. As Karen Hellekson and Kristina Busse note in their "Introduction" to "Fan Fiction and Fan Communities in the Internet" (2006), slash fiction - fan fiction about

male homosexual relationships mainly produced and consumed by women - has stood in the center of fan fiction studies so far, despite being merely a subgenre of it. The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m/m romance or pornography within the academic discourse - a trend which differs completely from the extremely under-theorized complex of men interested in "lesbians." It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross-voyeurism and their consumers/producers are conceptualized in the U.S. scholarly accounts. In many ways, this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet.
