National Politics Is Everybody's Business John D. Rigazio 2008 I Heard What You Said; But I Saw What You Did. is a coming of age story in the life of a young man growing up in the walls of both the church and the 60's. For Anthony Johnson, the age was twelve. The year was 1968 in the northeast region of North America. The place was Jersey City, New Jersey. This year would always loom in his memory as his season of change, his epoch of inquisition, the first time in his life he recalls being able to separate the literal from the figurative. He would experience the impact of life and death, joy and pain, friendship gained and friendship lost. It would be limiting to say that this city, in this time, shaped Anthony's evolution. The greater influence was that Anthony was a child of the cloth, the son of a dynamic Pentecostal evangelist. He grew up under the watchful eye and scrutiny of church folk. He heard, saw, and experienced things that were, at the very least, life changing. His future belief system and social conditioning could be traced back to his relationship with organized religion. Traced to the church, as in the body of Christ, and the church, as in the edifice for worship. This milieu was his sanctuary and playground, his lead zeppelin and 500-pound gorilla. This was the place and the time when he realized there was a difference in what people said and what they did.

You Can't Get Blood Out of a Turnip Christopher Arnander 2005-12 Inspired by the success of *The Son of a Duck is a Floater*, *Apricots Tomorrow* and *Unload your own Donkey*, this gathering of Italian proverbs is intended to bring to its readers a smile of recognition from the discovery of a pooled aphoristic wit. Each proverb is given a literal translation and an English equivalent. These are sometimes identical, perhaps because of their Biblical or Latin origin, sometimes they are bizarrely askance as the title illustrates. Illustrated by Kathryn Lamb throughout.

The Seeker: Layman's Path to Spiritual Awakening (Enlightenment) Gregory E. Middleton 2009-09 The premise for this book is based upon a biblical quote that says, "Ask and it will be given to you; seek and you will find; knock and the doors will be opened to you." If you seek spiritual wisdom it will be drawn to you. That is simply how the spiritual universe works. God wants to give us all we need in order to accomplish our earthly missions, but in order to acquire what He has we must become "the Seeker." This book lays out a path toward spiritual enlightenment. It proposes an action plan and suggests methods and principles the reader can relate to and follow if that is what they desire. It is for people of all religious preferences if they are seeking spiritual wisdom, knowledge and understanding. All you need to do is to become the Seeker, and you become the magnet that draws divine enlightenment to you.

The Great Tithing Debate A. Bruce Wells 2007-03-16 Finally, there's a book that uses sound, rightly divided doctrine and wisdom to answer all your tithing questions. No longer will you have to rely on opinions, clichés, wishful thinking, passed down deceptions, legalism, or plain ole foolishness just to know what is required of you and where you stand with God. The Bible is very clear for those who want to know. All of your questions are thoroughly answered in THE GREAT TITHING DEBATE. The huge list of tithing questions, compiled over years of waiting for tithing to finally work, hinges on an exhaustive knowledge, or lack thereof, concerning exactly what Jesus fully accomplished at the cross. When the reality of redemption is properly understood, most questions disappear and the once shaky believer finds that, not only is he now standing on solid rock, but has actually become part of that rock. When redemption is fully understood, one realizes that the act of tithing to "open heaven" or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross. Yes, tithing worked in the Old Covenant as a part of the total Law, but has absolutely no place in the New Covenant that provides everything (Romans 8:32) through the blood of Christ. Peter counted such teaching as "tempting the Holy Spirit" in Acts 15. Paul obviously had the same opinion in most of his writings, for those who will read them without wearing their tithing glasses. We may call it an "act of faith," "obedience," "doing the Word," "good stewardship," or

what ever we want, but at the end of the day it is nothing more than an obsolete, Old Testament ordinance that will only "frustrate the grace of God," as Paul taught in Galatians. As circumcision became "nothing" under the NT, likewise, tithing is no longer obligatory. Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus' finished work and the Name He gave us to use? Would you like to know that God is going to say "yes" to His promises without you having to wonder if all your church ducks are in a row? And finally, wouldn't it be nice to have a royal ring put on your finger, a kingly robe put on your back, and a big hug of approval without having to sleep in the bunk house as a "servant" until it's decided that you can be trusted? So, this is a book about salvation; something that the church seems to know little about. Beyond forgiveness of sins, today's church seems to be unaware and uninterested in understanding redemption. This vacuum has left us open to a myriad of opinions, questionable doctrines, and even deception. This book endeavors to fill some of that vacuum. You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy. Examine the free preview below and "taste and see that the Lord is good," even much better than we've been taught. Hopefully, pride, a rampant byproduct of legalism and performance, won't keep you from hearing. Maybe you're still teachable and open to God's leading, even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian. DO YOU KNOW THAT Malachi was

America Is Now a Socialistic Country John D. Rigazio 2010-08 The IRS must be replaced The IRS is not producing the revenues needed to grow our economy. The fact that more poor and lower income Americans pay little or no taxes and the rich and big business have tax loopholes, plus the growing number of Americans who don't even file any income taxes, compiled with many tax cheaters - it's little wonder why federal revenues are declining when they should be increasing. We also have a growing underground economy in America as more and more Americans and illegals are dealing with cash only and not paying any income taxes. This underground economy is at least \$500 billion a year. We must have a national consumption tax (aka national volume added or national sales tax) as of Jan. 1, 2011. We can make it 10 percent on everything. Five percent of this national consumption tax goes to the federal government and five percent goes to the states to pay for the unfunded mandates the federal government passes. Also, as of 2011, the IRS should cut IRS taxes in half and make them much more simple. In a year or two, if the national consumer tax increases federal and state revenues, we can double it to 20 percent and nearly eliminate the IRS. A national value added sales tax will let America receive revenues from goods sold in

America by slave labor countries and eliminate the cash-only underground economy. Whereas I suggest that the states receive 50 percent of the revenue received by a national sales tax (aka value added tax) the states could collect and monitor this tax. With the exception of two or three states with no sales tax, they could implement and enforce this consumption tax with a few new employees. We must financially help the states because a chain is only as strong as its weakest link. Health care bill is not funded President Obama said, "This health care legislation will be the greatest legislation since Roosevelt passed the Social Security Act." However, unlike Social Security, it is an unfunded mandate which exceeds the ability of big and small businesses to pay for. It is a socialistic boondoggle incognito. It is my opinion that big business and small business cannot afford to pay for health insurance for the many Americans whom they employ. The health care bill will cause more unemployment in America.

Divided by a Common Language Christopher Davies 2007-09-26 This guide to the language differences between the United States and United Kingdom is "a fascinating collection full of all kinds of surprises" (Minneapolis Star Tribune). Taxi rank . . . toad in the hole . . . dustman . . . fancy dress . . . American visitors to London (or viewers of British TV shows) might be confused by these terms. But most Britons would be equally puzzled by words like caboose, bleachers, and busboy. In *Divided by a Common Language*, Christopher Davies explains these expressions and discusses the many differences in pronunciation, spelling, and vocabulary between British and American English. He compares the customs, manners, and practical details of daily life in the United Kingdom and the United States, and American readers will enjoy his account of American culture as seen through an Englishman's eyes. Davies tops it off with an amusing list of expressions that sound innocent enough in one country but make quite the opposite impression in the other. Two large glossaries help travelers translate from one variety of English to the other, and additional lists explain the distinctive words of Australia, New Zealand, and South Africa. This delightful book is the ideal companion for travelers—or anyone who enjoys the many nuances of language.

Adiós Mañana Burt H. Slaughter 2015-10-23 Tomorrow's Possible Headlines Today! Are you concerned about what happens on our southern border with Mexico? If not, perhaps you should be! The following plausible tale underscores the real danger we all face when the action of our government go awry and lead to the radicalization of two Iraqis, Mukhtar and Jamila, who are sent to the United States on a mission of Jihad. Big things of a cataclysmic nature are in store for the unsuspecting people of central Texas. A testament to how forgiveness, and love, can sometimes conquer the forces of darkness. A nail-biting finish! John Cansler, PI extraordinaire, at his best!

The Great Tithing Scam A. Bruce Wells 2006-07 Some have said that the word scam is too strong for a book that argues against the church's most sacred cow, but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early church. Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of obedience, faithfulness and stewardship, we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the curse of the Law causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of sinner? Hebrews 5: 4 Tithing causes you to frustrate the grace of God, and causes Christ to profit you nothing? Galatians 2: 21 and 5: 2 Making tithing a practicetoday actually causes the New Testament to become another gospel according to Paul in Galatians 1: 6? Order *The Great Tithing Scam* today and find out what else tithing will or won't do.
