English File 4E Beginner Student Book Christina Latham-Koenig 2020-07-28 English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

American English File 3E Level 2 Student Book Christina Latham-Koenig 2007-08-28 American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Teaching Children English as an Additional Language Caroline Scott 2008-08-28 Here is a typical classroom scenario: out of the thirty children, two-thirds speak a different language at home and only speak English at school. Even though many pupils' English skills are almost non-existent, teachers are expected to provide the national curriculum for every child in the class. Teaching Children English as an Additional Language solves this problem with a ten-week teaching programme of units and lesson activities for children aged seven–eleven (Key Stage 2) new to English. It will help these children learn some very basic English sentences, questions and vocabulary, to get them through regular day-to-day routines more easily. By offering a flexible step by step approach this book helps EAL teachers to: identify learners' individual needs teach grammar and vocabulary support teaching through speaking and listening assess pupils to inform future planning The programme also contains emergency lessons to support learners in the first three days, cross

curricular links, ways of using a home-school learning book and an opportunity for the child to make a booklet about themselves. It fosters the child's home language, incorporates different learning styles as well as including a wealth of carefully tailored, themed resources. The programme is complete with activities, resources and assessment materials and helpful tips on how to develop a successful EAL department.

English File - Beginner Christina Latham-Koenig 2019-02-14 English File's unique, lively and enjoyable lessons are renowned for getting students talking. English File, fourth edition, has been built on tried and trusted methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. NEW TO THIS EDITION New and updated texts, topics, and listenings, based on feedback from English File teachers. Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File. Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class

time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows you to manage all English File resources and download teaching materials in one place. Find out more here

English Mechanic and World of Science ... 1896

The Communicative Grammar of English Workbook Edward Dr. Woods 2013-11-14 The companion text to A Communicative Grammar of English (CGE), this workbook presents an opportunity for practising the points raised in the main grammar. The units follow the order of sections in Part One and Part Two of CGE; at the beginning of each sub-unit there is a brief explanation of a particular structure followed by a series of tasks, ranging from gap filling exercises to rewrite assignments and conversational passages in which the student is invited to participate. With authentic material and a variety of different task types graded by difficulty, this is an indispensable resource for teachers and advanced students with a good grounding in the grammar of the language.

The Victoria History of the County of Nottingham William Page 1910

Wild Swans Jung Chang 2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

American English File 5 Christina Latham-Koenig 2013-04-21

American English File Clive Oxenden 2010-01-07 "Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Questions Veneeta Dayal 2016-11-03 This book synthesizes and integrates 40 years of research on the semantics of questions, and its interface with pragmatics and syntax, conducted within the formal semantics tradition. A wide range of topics are covered, including weak-strong exhaustiveness, maximality, functional answers, single-multiple-trapped list answers, embedding predicates, quantificational variability, concealed questions, weak islands, polar and alternative questions, negative polarity, and non-canonical questions. The literature on this rich set of topics, theoretically diverse and scattered across multiple venues, is often hard to assimilate. Veneeta Dayal, drawing on her own research, brings them together for the first time in a coherent, concise, and well-structured whole. Each chapter begins with a non-technical introduction to the issues discussed; semantically sophisticated accounts are then presented incrementally, with the major points summarized at the end of each section. Written in an accessible style, this book provides both a guide to one of the most vibrant areas of research in natural language and an account of how this area of study is developing. It will be a unique resource for the novice and expert alike, and seeks to appeal to a variety of readers without compromising depth and breadth of coverage.

Destination C1 & C2 Malcolm Mann 2008 Destination C1 & C2 : Grammar and Vocabulary is the ideal grammar and vocabulary practice book for all advanced students preparing to take any C1 & C2 level exam: e.g.

Cambridge CAE and Cambridge CPE.
