Play Your Bigger Game Rick Tamlyn 2013-10-01 More than  
just a book, *Play Your Bigger Game* is a concept that  
will take you only nine minutes to understand but a  
lifetime to play. It was designed from the premise that  
life itself is one big game. And, if it is, then why not  
play one that excites, fulfills, and challenges you to  
develop and express your talents completely? By the way,  
there's nothing wrong with wanting that. It's a natural  
expression of who we are, and since each of us is  
blessed with talents, we're naturally hungry to develop  
and put them to use. Too often we suppress that desire  
for full engagement and self-expression because we think  
it's the grown-up thing to do. We consciously turn down  
our hunger dials, because we're afraid of expecting too  
much from life. We also think: If I settle for less, I  
won't be disappointed. *Play Your Bigger Game* was created  
to counteract that self-limiting, fear-based approach to  
life. It's also designed to keep you forever in play,  
meaning that you'll never be stuck again, since you'll  
always have the game board to guide your next move.

Michelangelo said, "The great danger for most of us lies  
not in setting our aim too high and falling short but in  
setting our aim too low and hitting the mark." This book  
is not just about making a living; it's about making an  
impact. Curiously enough, I find that once players begin  
to make a positive impact, their incomes often rise,

too. Still, if you're interested in simply making a  
living and just surviving in life, I'm afraid that this  
book is not for you. If you want to make an impact in  
the world and thrive in your life while earning a very  
good living, please read on. The purpose of this book is  
to: Reveal the Bigger Game player you already are, help  
you find the Bigger Games that excite and challenge you  
to fully deploy all of your energy and gifts, teach you  
to consciously design the person you're destined to  
become, allow you to feed the hunger in your soul, help  
you to make a major impact, and allow you to leave a  
lasting legacy.
