**Parables of Love from Mom** Chamisa Loraine Howard 2022-06-10 When my children were small and my husband in college, I continued to recreate the stories my parents told me as a child about animals having personalities and their teaching abilities. I used the stories to teach my children moral principles through fables. They knew if they went to bed by 8:00 p.m., they would get another chapter of some favorite pretend stories, spun out night after night, chapter by chapter. Many of these stories led to daytime adventures as the kids lifted up flat rocks in search of Harvey Rabbit's magic hole with the candy factory. They made horn toads into pets and few a mouse in box fitted with a running wheel. In 1989, I decided to write down some of those favorite stories to give my now grown children as a Christmas present. My artist sister illustrated these stories for me. The compilation of stories has been sitting in my cedar chest for 30 years, until recently, when I had them re-printed for my now growing family of grandchildren and great-grandchildren. God bless each and every child out there, that they may come to know in their head and heart that we are all God's angels placed here on earth with extraordinary abilities in order to love and bless each other's lives.

**The Hot Mom's Handbook** Jessica Denay 2006-05-10 The Hot Mom's Handbook is the official guide to the "Hot Mom" movement and the ultimate resource for any mom who refuses to check her sense of style and sexuality at the white picket fence! This handbook tosses all those "mom" stereotypes right out the minivan window and reveals the eight secrets guaranteed to transform every mom into a Hot Mom! And just who is a Hot Mom? A Hot Mom is confident and empowered. A Hot Mom is a woman who meets the needs of her family but refuses to lose herself in the madness of motherhood. A Hot Mom is a woman of any age who knows how to take care of herself and has a whole lot of fun along the

way! With insights from Jessica Denay's personal journey, this handbook holds lighthearted advice, stories, and quotes from unique and inspirational Hot Moms from all walks of life. Celebrity Hot Mom contributors include: Lauren Holly, Kelly Preston, Holly Robinson Peete, Kathie Lee Gifford, Carnie Wilson, Meredith Brooks and many more! "The Hot Mom's Handbook should be required reading for moms worldwide! Filled with empowerment, compassion, empathy and inspiration, Denay really does prove that blondes--oops, I mean MOMS--really do have more fun!" --Julie Watson Smith, Founder of Mommy Hullabaloo, Author of Mommyhood Diaries: Living the Chaos One Day at a Time There's a Hot mom inside each of us and it's possible to find 'her' with The Hot Mom's Handbook. Kudos to Jessica Denay for standing up against society's beliefs of motherhood and encouraging moms to realize that their lives did not end when they became a mother. Denay's writing inspires all mothers to be proud of the one title that can never be taken away." --Victoria Pericon (a.k.a. Savvy Mommy), Family Lifestyle "The Hot Mom's Handbook uplifts our maternal spirits, raises us above burned dinners and household chores to our higher selves, the people we've always been but have forgotten amidst the dirty laundry and mile-long list of commitments. It's all about moms and how we can live more powerful lives." --Christine Louise Hohlbaum, American author of Diary of a Mother and SAHM I Am: Tales of a Stay-at Home Mom in Europe "Inside every mother there's a Hot Mom just waiting to break free. The Hot Mom's Handbook is the perfect guide to unleash the sizzlin' babe within. So ditch the sweats, embrace your stretch marks, and be proud of who you are, a smokin' hot momma!" --Kathryn S. Mahoney, Author of Cracked at Birth: One Madcap Mom's Thoughts on Motherhood, Marriage and Burnt Meatloaf

**Safety in Numbers: From 56 to 221 Pounds, My Battle with Eating Disorders -- A Memoir** Brittany Burgunder 2016-01-27 Imagine

struggling with anorexia for seven years and finding yourself in the hospital weighing 56 pounds at 20 years old. Your parents are planning your funeral, and you are given little chance to live. Fast-forward one year. You are now 221 pounds and obese. *Safety in Numbers: From 56 to 221 Pounds, My Battle with Eating Disorders* is Brittany Burgunder's raw and captivating memoir of her 10-year battle with three forms of severe eating disorders -- anorexia, binge eating, and bulimia. Taken from her extensive journals, she shares her uncensored and disturbing story of fear, sadness, chaos, disbelief, and darkness. In the end, though, her first-person account gives a message of hope and triumph. *Safety in Numbers* is a brutally honest and unique account highlighting a profound struggle at both ends of the weight spectrum with eating disorders. Brittany's battle shows that a happy and healthy life is possible no matter how hopeless the situation may seem. It provides a firsthand look into an unthinkable journey that will mesmerize, move, and inspire readers. Ultimately, it is a story of survival and strength -- no matter what the struggle.

**What a Difference a Mom Makes** Dr. Kevin Leman 2012-09-01 Every mom wants the best for her son. She wants him to succeed in life, to be a man of character, to find a good woman, to be a great dad. But sometimes boys are hard for moms to understand. Sometimes they're strange, annoying, and downright disgusting! Yet always they need a mother who is engaged and interested in them, because a mom is the most important person in a boy's life. In *What a Difference a Mom Makes*, New York Times bestselling author Dr. Kevin Leman uses his wit and wisdom to show Mom how to lay the groundwork that will allow her son to grow into a good man. Armed with Dr. Leman's expert advice and insight, Mom will gain an understanding of her boy at every stage, from that very first diaper change to the moment he leaves for college. Dr. Leman shows how to discipline a boy, how to command respect, how to let him fight his own battles, how to understand his sexuality, and how to weather the changes in the mother-son relationship as he grows up. Most of all, Leman shows Mom how to lighten up and have some fun along the way with that boy who will always have her heart.

*Murder or Marriage* Raisa Brown 2013-11-21 This is a story of love and loss of three childhood friends, Lauren, Maddison, and Jennifer, who had their whole lives planned out. Their future was bright. All three of them had been accepted to Spellman University. This would be the beginning of the rest of their lives. The girls had rented a beach house for the summer and had plans of lying out in the sun and pool parties and lots of shopping, until tragedy strikes, and Maddison learns that her brother is barely clinging to life, and the outcome does not look good. The girls pack up and return to their hometown to find out that her brother was murdered. Unable to console one another, this experience left them scarred for life. Their tight-knit bond was unraveling. All they ever knew was each other. How would they navigate life without one another? Before long, they were all leading different lives. If they only knew what was to come, would they have tried harder to stay tied to one another like the sheets they tied together to make tents when they had sleepovers? Truth is, no one could predict what was to happen next. They say time heals all wounds. I think Lauren, Maddison, and Jennifer would have to disagree.

*The War of My Generation* David Kieran 2015-08-04 Following the 9/11 attacks, approximately four million Americans have turned eighteen each year and more than fifty million children have been born. These members of the millennial and post-millennial generation have come of age in a moment marked by increased anxiety about terrorism, two protracted wars, and policies that have raised questions about the United States's role abroad and at home. Young people have not been shielded from the attacks or from the wars and policy debates that followed. Instead, they have been active participants—as potential military recruits and organizers for social justice amid anti-immigration policies, as students

in schools learning about the attacks or readers of young adult literature about wars. *The War of My Generation* is the first essay collection to focus specifically on how the terrorist attacks and their aftermath have shaped these new generations of Americans. Drawing from a variety of disciplines, including anthropology, sociology, cultural studies, and literary studies, the essays cover a wide range of topics, from graphic war images in the classroom to computer games designed to promote military recruitment to emails from parents in the combat zone. The collection considers what cultural factors and products have shaped young people's experience of the 9/11 attacks, the wars that have followed, and their experiences as emerging citizen-subjects in that moment. Revealing how young people understand the War on Terror—and how adults understand the way young people think—*The War of My Generation* offers groundbreaking research on catastrophic events still fresh in our minds.

**The Science of Mom** Alice Callahan 2021-11-23 Now updated! The new edition of this best-selling guide uses science to tackle some of the most important decisions facing new parents—from sleep training and vaccinations to breastfeeding and baby food. Is cosleeping safe? How important is breastfeeding? Are food allergies preventable? Should we be worried about the aluminum in vaccines? Searching for answers to these tough parenting questions can yield a deluge of conflicting advice. In this revised and expanded edition of *The Science of Mom*, Alice Callahan, a science writer whose work appears in the *New York Times* and the *Washington Post*, recognizes that families must make their own decisions and gives parents the tools to evaluate the evidence for themselves. Sharing the latest scientific research on raising healthy babies, she covers topics like the microbiome, attachment, vaccine safety, pacifiers, allergies, increasing breast milk production, and choosing an infant formula.

*Hold On, Someone is on the Other Line!* Darmonica Alexander 2011-03-30 The book is about all of my dreams that I had that never came true. This book will also give the inside track of what I learned about me in my life as I travel through the journey of life. People have always talked about the truth about their life, but what about the whole truth, the good, the bad and the ugly? I am just a normal and regular person who is not perfect in no form shape or fashion. This book is just an insight of my life with all of the encounters coming from a very large family. By coming from a large family today caused many problems for me because I did not realize exactly how poor I was until I began to attend college. Not saying that most of our family didn't pull themselves out of their situations. Happiness came from the inside of your to come true. This book will show that I thought that it was the choices that I made, but in the end I found out that it wasn't only the choice, but it was other individual choices, but it was the decision of my parents that turned my life upside down and on its head. From my experience, as a child growing up here in America in the 60's and 70's life was to have dreams in our small little heads about becoming a fireman, sports photographer, doctor, or even a player playing sports. As a child having dreams are the responsibility of the parents to every effort to make their child dreams come true and this will make them successful and most of all very happy with their accomplishments. See I love the game of football and other sports as well, such as baseball, basketball and track and field, but football was my favorite. The reason that I loved football

was my most favorite. The reason it was my favorite because on the football field this was where the smaller player could get even with the bigger bullies who wanted to talk trash to some of the small players. While I played the game of football in the little Pop Warner Football League, I silence the bigger boys without talking trash. As this book unfolds you will find out that other people in my life and bad timing played a role in my unsuccessful dreams. Then you will find out that my life was not only my decision alone. But on the side of all of this I had a good life and I maintained to stay happiness. Now if I had not exposed my life to you, many people would never know the pain and hardship that I experienced in my life time. I am still the same Darmonica who you have know in the past who love sports and love lending a helping hand where it's needed. For the love of life is to love yourself, help another and take the worst of life and make the best of it, and I did just that. Without my family and friends I would not be the person who I am NOW! That's why I say, Hold on, someone is on the other line!

Sara's Secret Cynthia Badger 2009-04 Cynthia's life long passion for knowing what to say and when to say it certainly comes through in this thought-provoking tale that will inspire children and adults as well. Finally, a book that fits both audiences and at the same time awakens the potential we all carry within us. A book to assist young and old with daily living. Claudia Von Kielich, MAOM - Co-Founder Horizontal Harmony Behavioral Specialists I loved it! It caused my imagination to kick into gear. It created visuals in my mind. It is a truly wonderful book-engrossing and memorable. A book for the child in all of us.

AgnesTalamantez Carroll, ATC and Associates Education and Training A gentle approach to profound thoughts and deep truths broken into simple terms that children can understand. An instruction guide for parents that explains deep truths in a simple way and reinforces them in a variety of circumstances. Marianne Mullen, Child Educator and International Nanny

What Mommy Needed to Know Shirley Ann 2010-11-24 This book is based on my life and things that happened as I grew up to become the woman I am today. My eldest sister and I are very close. Yet it is unfortunate that we are not as close to our youngest sister, Iris. Sisters, I love you very much. I know that we are all survivors and there are other sisters waiting on our story to help them survive. What mommy needed to know is your daughters miss, love, and need you very much. We are survivors . . . Yes, your ancestors, Oletha. What future mommies must know is your legacy goes on without you ensure to make sure you water your plants (your children) with love and care.

RESCUE YOUR MOM Pradeep Kumar Singha

*Ye Olde Brick Tavern* Jean Maxellon Nash 2006-04-29 *Ye Olde Brick Tavern* is a romantic novel with a historical background that takes place in a rural town west of Boston. The story takes place at a time in American history when the country cried out for a better life and economic changes. The coming railroad, which was needed to make the change, became a threat to the area where people feared their established way of life would be destroyed. High demands for hay would no longer be needed. Horse sales would quickly decline, making life insecure. Years earlier, taverns were built along the highways to receive weary travelers who came to expect restful sanctuary and meals after long journeys. These taverns were important as an only means of communication between the townspeople and the outside world. The taverns were a central force in the rural areas where life existed around them. Intimate relationships grew and talks of poverty and personal struggles took precedence. In this time of economic struggle of the 1840's, drinking became rampant, arguments on the coming railroad excited everyone and they were constant wherever men gathered. On many occasions, fights broke out. Farmer-fought farmer for allowing property to be taken by the railroad that was needed for laying down tracks across their farmlands and where trains could pass through to the next town. The human emotions of love-hate-envy prevail. *Ye Olde Brick Tavern* is a host to many different characters, each with his own hardships and problems. Jane, a young woman, whose husband is lost at sea, is left to struggle in order to survive. Hungry, tired, and penniless, she finds refuge when an ailing uncle asks for help in running his tavern. Needing a place to live, after being forced out of her husband's family house, Jane welcomes the opportunity to go there. The heavy demands of running another person's business become burdensome. Jane also cares for her recently orphaned nieces, Elizabeth and Kate. They discover living with their aunt difficult following the death of their parents. Forced to live a different life style, they found it bothersome. As they see how burdened their aunt is, they try easing her work load in the taverns kitchen. To please the girls, Jane gives them false hopes of a better life. Jacob, in his early thirties, a determined man with apparent means and a suspicious, aristocratic air, pursues Jane with his romantic ideas and needs. With constant hope for her husband's return, she turns him away repeatedly. A native American, named Broken Wing (Bro), a permanent tavern resident, with a deep attachment for the property, sees and hears most of what goes on at the inn. He says little, fearing threats of being forced out. Several other characters lend color to the story. The troublesome neighbor, Ronus, who becomes enmeshed into the lives of some tavern people, adds to Jane's problems. And Robert, a quiet man, also adds to the heavy work load, but he needs a place to live while teaching at a nearby school and is welcome to stay. More burdens fall upon the tavern as railroad workers lay track closer to the road house, needing food and service. Neighbors, in hopes of learning more news on the railroad's progress and news of other towns, frequent the tavern more often. Although these people add to the volume of work, their visits help increase the bar's income. As the nieces become more independent, wanting to return to their former life style, Jane once again gives them false hopes to quiet them. Luckily, Elizabeth finds a neighborhood friend and life goes on somewhat smoother. Jacob returns home after a long stay in the wilds. Jane turns to him with his long awaited love, and blindly accepts him as her admirer. Was this man right for her? Could he have become involved with another woman while waiting for Jane to change her mind? As lives change from events taking place at the tavern, it causes Jane many heartbreaks. The railroad veers north to another

*Bad Moms* Jon Lucas 2020-04-07 The writers behind the blockbuster hits *Bad Moms* and *A Bad Moms Christmas* and the acclaimed author of *No Happy Endings* join forces in this hilarious novelization of the hit movie franchise. What happens when a trio of overworked and underappreciated good moms get pushed beyond their limits? They turn "bad"—ditch the kids, the housework, and their clueless partners with hilarious and heartwarming results. Based on the popular movies, *Bad Moms: The Novel* gives fans a new way to enjoy their favorite characters, Amy, Carla, and Kiki, as they smash the Perfect Mom pedestal, take on the grown-up Queen Bees, forge deeper bonds with their kids, get some long overdue respect and recognition, and indulge in a few hours of some crazy fun. Enriching the chaotic and comedic stories of the films, *Bad Moms: The Novel* is a sendup of modern motherhood and a celebration of

moms gone (temporarily) whack--to good effect.

**The Science of Mom** Alice Callahan 2021-11-23 "This book is a pragmatic introduction to evidence-based parenting. The second edition provides details of the latest advice from the American Academy of Pediatrics and includes enhanced coverage of allergenic foods and genetically modified organisms, breast versus bottle feeding, plastics as endocrine disrupters, vaccinations, and the co-sleeping debate. An all-new chapter reveals the real facts behind the benefits of both paid childcare for working parents and staying at home with babies"--

**The Boy Who Could Fly** Perry McMullin 2009-08-01 "An eight year old boy believes he can fly because his grandfather told him it was possible to do during a bed time story. Nick follows the instructions and discovers that he can fly ... maybe! The end of the book leaves the reader wondering if this was a dream or reality." -- Back cover

**Working Mother** 2002-02 The magazine that helps career moms balance their personal and professional lives.

**The Owl Is Calling** Tami Kent 2010-11-05 The Owl is Calling is based on a true story. It is about a family that is enduring physical, mental and drug abuse like so many other families in the world. The book was written so other people don't feel alone when reading the book. And the author thought it was a story to be told. The story ends in tragedy.

**The Whispers Within** Nilsa L. Cleland 2013-04-17 I heard him staggering down the hallway, banging into the banister sloshing his drink of choice, most likely a gin and tonic, along the way. As he reached for her door, I felt my airways constrict and the walls of the room close in around me. My body stiffened, and my senses numbed, as I listened for the faint squeak of my bedroom door to open softly. I am, 17 year-old aristocratic-born Candace Spencer, and I quickly recognized the monster that prowled the darkness of my sanctuary. My breath faded as the muscular figures slithered into my room and onto my body. My nightmare only lasted a few minutes several times a week but I lost a part of my soul a little bit more during each horrific moment. I closed my eyes and lived one more death as he devoured me, but tonight I vowed it would end. The prominent and respected businessman revered by the community would not return to my bedroom again. Never again! I had no idea how long it had been away; a Spiritual Guide's time was measured very differently compared to human lifetime. Was it a day later or had one or twenty years passed? Right now I had my first assignment in my new form, Mari Santiago, a 16 year-old teenager struggling to survive her family's domestic violence and sexual assaults in the tough streets of New York. The Whispers Within reveals the parallel of two dissimilar lives between two teenagers: one alive and the other dead. Mari comes to know Candace in a manner she would have never dreamt. Candace, having lived life at the opposite economic strata from the inner city life Mari was accustomed to, is only equipped with whispers of encouragement to defeat Mari's demons. How will Candace handle returning to earth as a spirit when she did not deal with her own nemesis while alive? Will Mari be consumed by the demons that surround her or will Candace pave a way for Mari to flee them? Will they both come to know each other's demons? Will Candace's whispers be enough for Mari to conquer her demons while building a new life?

**Imminence** Kat Stiles 2017-08-22 Em is certainly no stranger to nightmares. Kidnapped by her own father when she was only five years old, the man who gave her life has stalked her nightmares for years, lurking in the darkest corners of her mind. She thought he was dead. But when she gets an unexpected call from him, her greatest fear comes to life. Her father is back with super powers of his own, and Em's powerful magic might not be enough to save her or her friends from what is to come. **Mom's Updated Recipe Book** Donna L. Weinhofen 2000-04-01

**Alone With The Bad Boy** Suzana Thompson 2021-04-27 Alone overnight at the store with the school bad boy. That's not what I planned on when I hid in the bathroom until well after closing. I thought I was by myself, which was why I started trying on clothes outside the dressing room. I wasn't expecting to be caught in my underwear by anyone. Least of all by the intimidating guy everyone warned me was dangerous. If that isn't bad enough, he is also my secret crush.

**Wow, Your Mom Really Is Crazy** Carol Gray 2012-10-16 When Carol Gray moved to an upper-middle class neighborhood, she found that it wasn't just her living space that was bigger; her physical and mental problems were also growing. Most people who suffer from autoimmune diseases are usually sick an average of ten years with various ailments

before getting the correct diagnosis. Carol was no exception, and she struggled to maintain the facade of normality among the neighborhoods stay-at-home moms, green lawns, and white-collar dads. In this guidebook about coping with autoimmune and thyroid disease, she recalls her struggles and shares stress-coping tips, nutritional advice, alternative therapies, and insights on dealing with friends and family who want to see evidence of an invisible disease. She also explores how to deal with mood swings and other symptoms not yet fully explored by the scientific community. Millions of people suffer from autoimmune and thyroid diseases, but they remain misunderstood. Find the answers you're looking for, and discover how to keep your sense of humor in *Wow, Your Mom Really Is Crazy*.

**The Magic Mom** Alyce Dailey 2022-09-27 Moms are the greatest entrepreneurs in the world, and raising the next generation of entrepreneurial women doesn't happen by accident. Our daughters grow into the conversations we have around them. What kinds of conversations can we have so they grow into the best versions of themselves? In these pages, you'll learn the formula of MAGIC which helps mothers create lives they love while leading their daughters to live powerfully: M (Model): How am I modeling who I want my daughter to be as an adult? A (Affirm): What spoken affirmation enables my subconscious to help me find the answers? G (Grace): Who can I extend grace to in this situation and moment? I (Inquire): What new questions could I ask to open up more possibility? C (Coach): How am I showing up as a Coach to my daughter right now? Who is coaching me to become the best version of myself? If you are a Mom who desires more for both your own life and your daughter, Alyce Dailey's *The MAGIC Mom: 5 Principles to Unlock Your Natural Gifts to Raise Entrepreneurial Daughters*, is just for you. **Mom's House, Dad's House for Kids** Isolina Ricci 2007-11-01 From the author of the classic *Mom's House, Dad's House*, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again. Isolina Ricci's *Mom's House, Dad's House* has been the gold standard for inspiring and supporting divorcing and remarriage parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. *Mom's House, Dad's House for Kids* is packed with practical tips, frank answers, easy-to-use lists, "train your brain" ideas, reproducible worksheets, and things to try when words just won't come out right. Kids will learn how to:

- Deal with parents living apart, schedules, and dueling house rules
- Settle comfortably in one home or two
- Stay out of the "miserable middle" when parents fight
- Manage stress, guilt, change, fear, and other feelings
- Stay connected with parents, relatives, and the "right" friends
- Appreciate the gifts (and deal with the gripes) of their new version of family
- Feel better FAST! Kids can't get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows them how.

**Med-Rific Safety and Health Stories** Toyin Fajinmi 2012-07 As a registered nurse caring for all ages in one of the best and busiest hospitals in the city of Philadelphia emergency department, Toyin realized how much impact nurses and other health-care providers have on families and their health. Many families sometimes do not understand information given by the doctors and sometimes fail to ask for clarification but would prefer explanation in layman terms. Toyin's hope is that every child and parent will have an opportunity to read *Med-Rific Safety and Health Stories* to acquire more knowledge on health, safety, and nutrition in a simple layman language. Both children and adult will definitely benefit from the stories in this book.

**Passed Down From Mom** The Unapologetic Voice House 2020-05-05 All

mothers hear this: "Tell me a story." The greatest stories they have to share are the ones about being mothers. Mothers have lessons to share with their children, their friends, spouses and even strangers. This collection of short stories is told from the viewpoint of more than a dozen different mothers from all backgrounds: they were born in different countries, with different traditions, different paths to motherhood, and different advice. The common theme they all share is their motherhood. The stories include: •Birthing from the Heart, the adoption memory of Alison Rand; •A Love Letter to My Daughter about becoming a mother for the first time, by Brita Moe; •All Little Ants Need Their Mother, about Valerie Nifora's Greek immigrant mother and a world of possibilities; •Creando Una Casa, Nancy Brooker's memories of the food and smells of

her Italian mother's home; •Share, where a medical diagnosis gifted Cori Edwards with her mother's stories of growing up; •Motherhood Awakens Divine Power, Intuition and Consciousness, where Whitney Mullings transforms her family from the rigor of her Chinese roots to something that nurtures them all; and more. The advice of these authors works for new moms and mothers ready to share their memories alike; they cover topics like adoption, blended families, immigration stories, and post-partum depression. The stories inside touch on acceptance, worthiness, struggle, triumph, love, family and peace. Whether you are a mother yourself or have a strong bond with your own mother, the memories within this collection will resonate with you and inspire you.
