The Facts of Life Paula Knight 2017-03-06 'In her moving and sympathetic book, Paula Knight charts the emotional cost of the pursuit of motherhood and thoughtfully challenges the societal notion that to live a life without children is to live a lesser life.'—Aminatta Forna A clarion call to recognise that parenting isn't the be-all and end-all of family life, Paula Knight's extraordinarily powerful graphic memoir is a beautifully drawn, funny and sometimes painful exploration of what it takes to be a woman, and a mother—or not. In 1970s Northeast England, best friends Polly and April are sitting up a tree, whispering about periods and swapping their hazy knowledge of the facts of life. They both expect to have families one day—it's the normal script to follow, isn't it? But, as Polly grows up, education and career become important too, and she believes that she can have it all. When, some years later, Polly settles with Jack, her career has taken off and she feels torn over whether or not to try for a baby. Has she left it too late? Did she have any control over that choice? They go ahead, but, after repeated miscarriage and chronic illness take their toll, Polly and Jack have to face a very tough decision. As Polly looks back to discover the origins of her own expectations, she has to confront what family means in a society where 'family' usually means 'children'.

Spanish-English Bilingual Visual Dictionary DK 2017-04-18 This brilliant bilingual book is your one-stop shop for Spanish, packed with more than 10,000 essential words to look up and learn. With each Spanish entry illustrated by an eye-catching visual, language learning has never been easier. My First 100 Words in Spanish and English Ellanie Frileri 2021-07-23 My First 100 Words in Spanish and English - this book is a great way to introduce second language! This is an ideal book for developing vocabulary and language skills for toddlers and young little kids. It is also good for anybody of any age who is interested in learning Spanish! Colorful and beautiful images illustrate every word. This makes it easier to memorize a new language and vocabulary. The words are classified by themes. There is a fairy figure who conjures up different categories of words, for example: nature, food, house, vehicles, clothes, animals or toys. There are pages with fairy who presents a category of words and pages with words for each category- two pictures per page. All the Spanish words are translated in English. This book allows children to build their understanding of both languages and discover new ways to communicate and express themselves. It's a great gift for Birthday or Christmas! Help your child develop language skills and add My First 100 Words in Spanish and English to your home library!

My First 1000 English Words Catherine Bruzzone 2015 Travel around the world in 1000 words in this fun search-and-find vocabulary-building book Action-packed illustrations introduce your eager young language learners to essential words in English--plus a few fun ones. From having breakfast together to visiting the zoo or a fantastic art gallery to learn about colors and shapes, these characters will bring new words to life on the page and reinforce those words that you already know. Each page has a central scene teeming with details to discuss and discover, and each word has its own illustration.

My First 100 Words Spanish English Vocabulary Flashcards for Baby Professional Schoolprep 2019-06-17 Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language.

The First Hundred Words in French Heather Amery 1988 This delightful and amusing book, beautifully illustrated by Stephen Cartwright, contains a basic vocabulary of a hundred words in French.
