Where Europe Begins: Stories Yoko Tawada 2007-05-17 A gorgeous collection of fantastic and dreamlike tales by one of the world's most innovative contemporary writers. Chosen as a 2005 Times Literary Supplement Book of the Year, *Where Europe Begins* has been described by the Russian literary phenomenon Victor Pelevin as "a spectacular journey through a world of colliding languages and multiplying cities." In these stories' disparate settings—Japan, Siberia, Russia, and Germany—the reader becomes as much a foreigner as the author, or the figures that fill this book: the ghost of a burned woman, a traveler on the Trans-Siberian railroad, a mechanical doll, a tongue, a monk who leaps into his own reflection. Through the timeless art of storytelling, Yoko Tawada discloses the virtues of bewilderment, estrangement, and Hilaritas: the goddess of rejoicing.

Where Europe Begins Yōko Tawada 2002 *Where Europe Begins* presents a collection of startling new stories by Japanese writer Yoko Tawada. Moving through landscapes of fairy tales, family history, strange words and letters, dreams, and every-day reality, Tawada's work blurs divisions between fact and fiction, prose and poetry. Often set in physical spaces as disparate as Japan, Siberia, Russia, and Germany, these tales describe a fragmented world where even a city or the human body can become a sort of text. Suddenly, the reader becomes as much a foreigner as the author and the figures that fill this book: the ghost of a burned woman, a woman traveling on the Trans-Siberian railroad, a mechanical doll, a tongue, a monk who leaps into his own reflection. Tawada playfully makes the experience of estrangement--of a being in-between--both sensual and bewildering, and as a result practically invents a new way of seeing things while telling a fine story.

The Houseguest: And Other Stories Amparo Dávila 2018-11-20 The first collection in English of

an endlessly surprising, master storyteller Like those of Kafka, Poe, Leonora Carrington, or Shirley Jackson, Amparo Dávila's stories are terrifying, mesmerizing, and expertly crafted—you'll finish each one gasping for air. With acute psychological insight, Dávila follows her characters to the limits of desire, paranoia, insomnia, and fear. She is a writer obsessed with obsession, who makes nightmares come to life through the everyday: loneliness sinks in easily like a razor-sharp knife, some sort of evil lurks in every shadow, delusion takes the form of strange and very real creatures. After reading *The Houseguest*—Dávila's debut collection in English—you'll wonder how this secret was kept for so long.

New Directions in Picturebook Research Teresa Colomer 2010-07-12 In this new collection, children's literature scholars from twelve different countries contribute to the ongoing debate on the importance of picturebook research, focusing on aesthetic and cognitive aspects of picture books. Contributors take interdisciplinary approaches that integrate different disciplines such as literary studies, art history, linguistics, narratology, cognitive psychology, sociology, memory studies, and picture theory. Topics discussed include intervisuality, twist endings, autobiographical narration, and metaliterary awareness in picturebooks. The essays also examine the narrative challenges of first-person narratives, ellipsis, and frame-breaking in order to consider the importance of mindscape as a new paradigm in picturebook research. Tying picturebook studies to studies in childhood, multimodality, and literacy, this anthology is a representative of the different opportunities for research in this emerging field.

The Musical Brain: And Other Stories César Aira 2015-03-03 A delirious collection of short stories from the Latin American master of micro-fiction. A delirious collection of short stories from the Latin American master of microfiction, César Aira—the author of at least eighty novels, most of them barely one hundred pages long—*The Musical Brain & Other Stories* comprises twenty tales about oddballs, freaks, and loonies. Aira, with his fuga hacia adelante or "flight forward" into the unknown, gives us imponderables to ponder and bizarre and seemingly out-of-context plot lines, as well as thoughtful and passionate takes on everyday reality. The Glass Menagerie Tennessee Williams 1999-06-17 No play in the modern theatre has so captured the imagination and heart of the American public as Tennessee Williams's *The Glass Menagerie*. *Menagerie* was Williams's first popular success and launched the brilliant, if somewhat controversial, career of our pre-eminent lyric playwright. Since its premiere in Chicago in 1944, with the legendary Laurette Taylor in the role of Amanda, the play has been the bravura piece for great actresses from Jessica Tandy to Joanne Woodward, and is studied and performed in classrooms and theatres around the world. *The Glass Menagerie* (in the reading text the author preferred) is now available only in its *New Directions Paperbook* edition. A new introduction by prominent Williams scholar Robert Bray, editor of *The Tennessee Williams Annual Review*, reappraises the play more than half a century after it won the New York Drama Critics Circle Award: "More than fifty years after telling his story of a family whose lives form a triangle of quiet desperation, Williams's mellifluous voice still resonates deeply and universally." This edition of *The Glass Menagerie* also includes Williams's essay on the impact of sudden fame on a struggling writer, "The Catastrophe of Success," as well as a short section of Williams's own "Production Notes." The cover features the classic line drawing by Alvin Lustig, originally done for the 1949 *New Directions* edition.

Cinema Stories Alexander Kluge 2007 Alexander Kluge turns 75 in autumn 2007, and to celebrate he will be the Special Guest of Honor at the 75th Venice Film Festival, showing his films in the Grand Salon; he will enjoy a MoMA retrospective; Facets Multimedia will launch DVDs of all his dozens of movies and all his TV work and *New Directions* is proud to present his new fiction collection, all about the cinema. The thirty-eight tales of "Cinema Stories" combine fact and fiction, and they all revolve around movie-making. The book compresses a lifetime of feeling, thought, and practice: Kluge--considered the father of New German Cinema--is an inventive wellspring of narrative notions. "The power of his prose," as "Small Press" noted, "exudes the sort of pregnant richness one might find in the brief scenarios of unknown films." "Cinema Stories" is a treasure box of cinematic lore and movie magic by "Alexander Kluge, that most enlightened of writers" (W. G. Sebald).

Some Trick Helen DeWitt 2019-10-29 Hailed a "Best Book of the Year" by NPR, Publishers Weekly, Vulture, and the New York Public Library, *Some Trick* is now in paperback For sheer unpredictable brilliance, Gogol may come to mind, but no author alive today takes a reader as far as Helen DeWitt into the funniest, most far-reaching dimensions of possibility. Her jumping-off points might be statistics, romance, the art world's piranha tank, games of chance and games of skill, the travails of publishing, or success. "Look," a character begins to explain, laying out some gambit reasonably enough, even in the face of situations spinning out to their utmost logical extremes, where things prove "more complicated than they had first appeared" and "at 3 a.m. the circumstances seem to attenuate." In various ways, each tale carries DeWitt's signature poker-face lament regarding the near-impossibility of the life of the mind when one is made to pay to have the time for it, in a world so sadly "taken up with all sorts of paraphernalia superfluous, not to say impedimental, to ratiocination."

The Uses of Reminiscence Mark Kaminsky 2014-02-24 The meaning and value of reminiscence in the lives of elders is beautifully explored.

Night Train A. L. Snijders 2021-10-05 Brevity is the soul of beauty in these tiny masterworks of short short fiction Gorgeously translated by Lydia Davis, the miniature stories of A. L. Snijders might concern a lost shoe, a visit with a bat, fears of travel, a dream of a man who has lost a glass eye: uniting them is their concision and their vivacity. Lydia Davis in her introduction delves into her fascination with the pleasures and challenges of translating from a language relatively new to her. She also extols Snijders's "straightforward approach to storytelling, his modesty and his thoughtfulness." Selected from many hundreds in the original Dutch, the stories gathered here—humorous, or bizarre, or comfortingly homely—are something like daybook entries, novels-in-brief, philosophical meditations, or events recreated from life, but—inhabiting the borderland between fiction and reality—might best be described as autobiographical mini-fables. This morning at 11:30, in the full sun, I go up into the hayloft where I haven't been for years. I climb over boxes and shelving, and open the door. A frightened owl flies straight at me, dead quiet, as quiet as a shadow can fly, I look into his eyes—he's a large owl, it's not strange that I'm frightened too, we frighten each other. I myself thought that owls never move in the daytime. What the owl thinks about me, I don't know.

The Crack-Up F. Scott Fitzgerald 2009-02-27 A self-portrait of a great writer 's rise and fall, intensely personal and etched with Fitzgerald's signature blend of romance and realism. Eliot, John Dos Passos—tells of a man with charm and talent to burn, whose gaiety and genius made him a living symbol of the Jazz Age, and whose recklessness brought him grief and loss. Madness in the Family William Saroyan 1990-05 "What a delight to find seventeen of Saroyan's uncollected stories within one cover!....charming tales, all blessed with Saroyan's pixieish imagination and magical writing style....Even today they read as though they have been freshly minted from the Saroyan treasure house. A discovery for those who love Saroyan's

fiction; his spark is still wonderfully alive." --Library Journal

Thomas Hardy's Short Stories Juliette Berning Schaefer 2016-11-18 Thomas Hardy penned nearly fifty short stories, but in spite of this impressive number, his contributions to the genre have been relatively understudied. Bringing together an international group of scholars, this is the first edited collection devoted solely to Hardy's works of short fiction. The contributors take up topics related to their publication in periodicals, gender and community relationships, and narrative techniques. Taken together, the essays show that Hardy's short stories are important, not only for what they tell us about Hardy as a writer who straddles the divide between the traditionalist and the modernist, but also for how they reflect and inform the period in which he wrote.

Tales of Desire (New Directions Pearls) Tennessee Williams 2010-02-24 "I yearned for a bad influence and boy, was Tennessee one in the best sense of the word: joyous, alarming, sexually confusing and dangerously funny."—John Waters "I cannot write any sort of story," said Tennessee [to Gore Vidal] "unless there is at least one character in it for whom I have physical desire." These transgressive Tales of Desire, including "One Arm," "Desire and the Black Masseur," "Hard Candy," and "The Killer Chicken and the Closet Queen," show the iconic playwright at his outrageous best.

The Collected Stories of Jean Stafford Jean Stafford 1992-01-01 The appearance of these stories in one volume is an event in our literature. To have built up so distinguished a collection, each story excellent in its own way and each an original departure in relation to the others, is a triumph. --Guy Davenport, New York Times Book Review Miss Stafford's craftsmanship and her mastery of the short story form are by now so well known that it seems superfluous to praise these stories. That they are impeccably done is obvious. --Joyce Carol Oates, Book World She writes about people whom loneliness has driven slightly mad, but also about people who are secure and comforted; she explores childhood and old age, poverty and wealth, tragedy and comedy. The comedy is usually wry... but often moves one to laughter. Above all, Miss Stafford will not be hurried... To me, this book is most solidly achieved. --John Wain, New York Review Of Books Winner of the 1970 Pulitzer Prize for fiction, this collection of thirty stories includes some of Jean Stafford's best short fiction from the period 1944-1968. Including such favorites as In the Zoo, Children Are Bored on Sunday, and Beatrice Trueblood's Story, the collection offers the work of this popular writer of the 1940s and 1950s to a new generation of readers and critics.
