The Christian World 1867

The Kingdom of Christ Richard Whately 2016-06-27 Excerpt from The Kingdom of Christ: Delineated in Two Essays on Our Lord's Own Account of His Person and of the Nature of His Kingdom, and on the Constitution, Powers, and Ministry of a Christian Church, as Appointed by Himself It cannot be alleged that they are not worth noticing: since, whether intrinsically weak or strong, the reception they have met with from the Public indicates their having had some in uence. And again, if any one is

averse to entering into controversy, and especially personal controversy (a feeling with which I cordially sympathize,) this would not compel him to leave wholly unnoticed all the arguments that can be urged against his views. It would be absurd to speak as if there were no medium between, on the one hand, engaging in a controversy, and, on the other hand, passing over without any notice at all, every thing that ever has been, or may be, urged on the opposite side. Nothing is easier, or more common, and, I should add, nothing more advisable, than to notice in general terms the opinions or arguments opposed to one's own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."
