Pliny the Elder on Science and Technology John F. Healy 1999 This book examines the massively important contribution of Pliny the Elder (AD 23/4 - 79) to the physical and applied sciences in the early years of imperial Rome. It is based on the results of laboratory experiments which validate many of Pliny's observations, and on a new study of the technical language he created.

Modern Spanish Grammar Christopher Pountain 2004-06-01

Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.

Tu Dirás! Ana Martínez-Lage 2009-08 In Spanish, "Tu dirás" means "you will say" . . . and with this text, you will say that Spanish is a fun and exciting language to learn! Media-savvy students like you will love TÚ DIRÁS! because its fully integrated technology helps you learn in ways with which you are familiar--through video, audio, popular music, and interactive multimedia. The award-winning TÚ DIRÁS! video will help build your understanding and ensure your success in the course and beyond the classroom. A fascinating Cultural Video expands your knowledge of the different countries and cultures of the Spanish-speaking world. Plus, MP3-ready Spanish tutorials help with pronunciation and grammar, and the powerful iLrn(tm) Spanish helps you master the

skills and contents of the course in a dynamic audio- and video-enhanced learning environment. With TÚ DIRÁS!, you will say "it works!"

Architecture and the Historical Imagination Martin Bressani 2016-04-15 Hailed as one of the key theoreticians of modernism, Eugène-Emmanuel Viollet-le-Duc was also the most renowned restoration architect of his age, a celebrated medieval archaeologist and a fervent champion of Gothic revivalism. He published some of the most influential texts in the history of modern architecture such as the Dictionnaire raisonné de l'architecture française du XIe au XVIIe siècle and *Entretiens sur l'architecture*, but also studies on warfare, geology and racial history. Martin Bressani expertly traces Viollet-le-Duc's complex intellectual development, mapping the attitudes he adopted toward the past, showing how restoration, in all its layered meaning, shaped his outlook. Through his life journey, we follow the route by which the technological subject was born out of nineteenth-century historicism.

At the Periphery of the Center Thomas J.D. Armbrecht 2007-01-01 At the Periphery of the Center is the first comparison of two of France's most important twentieth-century authors, Julien Green and Marguerite Yourcenar. It examines textual elements in their plays and novels to draw conclusions about the ways that they represent homosexuality in their texts. Both Yourcenar and Green turned to drama to explore aspects of same-sex desire that they felt unable to express in their prose. The analysis of their plays shows that an emphasis on dialogue and action makes drama a particularly appropriate genre for writing about homosexuality because it affords an author distance and therefore protection from the "proclivities" of his characters. The chapters on the novel show, by contrast, how prose fiction allows an author to explain a character's sexuality with a degree of subtlety difficult to achieve in theatre. Variations in narration and paratext allow writers to avoid condemning discourses and to find an original means of expression instead. At the Periphery brings a new, textually centered approach to Green's and Yourcenar's works that is unlike the psychological analyses that often typify queer readings. It will be of great interest to scholars of twentieth-century French literature and of Gender Studies. The book will also appeal to non-academic readers, however, since it is about two French authors who were also American citizens and who wrote about US history and contemporary culture.

Hola, amigos! Ana Jarvis 2013-01-01 This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students. Known for its succinct and precise grammar explanations, its presentation of high-frequency and practical vocabulary, and its overall flexibility, HOLA, AMIGOS! continues to maintain its appeal with instructors regardless of their preferred methodology. The program is designed to develop students' ability to communicate effectively in Spanish in a variety of situations as well as to strengthen cultural awareness and competence. It offers a full scope and sequence, yet is brief enough to be used effectively for a two-semester course. The eighth edition features an enhanced integration and

presentation of culture and new and exciting technology components. All components are fully integrated with the flexibility to accommodate a range of scheduling factors, contact hours, course objectives, and ability levels. Practice Makes Perfect: Spanish Conversation will help you: Engage in dialogues that illustrate practical conversations Expand your vocabulary Get clarification of new concepts with numerous realistic examples Reinforce your new conversational skills through extensive exercises Improve your pronunciation through audio dialogs and exercises, via app and online Before you know it, you'll find yourself confidently speaking Spanish with your Spanish-speaking friends--or ready to make new ones!

French Verb Drills R. de Roussy de Sales 2004-01-09 The shortest route to mastering verb conjugations One of the greatest challenges in learning a language is mastering verb conjugations. The books in the unique Language Verb Drill series make it easier than ever for learners to meet that challenge. Drilling, whether it's for learning a musical instrument, a sport, or a language, is an essential part of a sound education because repeated, concentrated practice makes specialized skills become second nature. Unlike most verb books, which tend to concentrate on tables of conjugations, the books in the Language Verb Drills series allow students to focus exclusively on building mastery of verbs without being distracted by other elements of grammar. Combining the features of a workbook and reference manual, they clearly and systematically explain how a verb system works while providing numerous drills for practice.

These revised editions of the popular study guides now include a final review section to reinforce the reader's ability to automatically select the correct verb form. *Plazas* Robert Hershberger 2016-01-01 PLAZAS: LUGAR DE ENCUENTROS, 5th Edition, is a two- or three-semester introductory Spanish program designed to support and enhance your students' language learning experience. PLAZAS transports your students to a Spanish-speaking country or region for an authentic and personalized cultural language-learning experience. Culture is embedded into every page of PLAZAS, giving your students an appreciation of different cultural practices and perspectives. Thanks to an exclusive partnership with the National Geographic Society, the fifth edition facilitates multi-modal interactions with cultural information in new and revised sections. The program's pedagogy continues to be firmly rooted in the research of the National Standards for Foreign Language Learning, or the Five Cs--Communication, Cultures, Connections, Comparisons, and Communities. The new A explorer! section draws upon all five standards in an engaging manner while previewing the content of the lesson. Important Notice: Media content referenced within the product description or the product text may not be

available in the ebook version.

Tu Diras! Ana Martínez-Lage 1998-08-01 The Activities Manual is carefully integrated with the textbook and is complete with an enhanced section for practicing grammar and vocabulary usage, listening and pronunciation practice exercises to accompany the laboratory audio program, and a separate answer key to make correcting student homework a snap.

Système-D 4.0 Frank Dominguez 2004-06 Simply the best investment for anyone learning to write in French! This powerful program combines the features of a word processor with databases of language reference material, a searchable dictionary, a verb conjugating reference, and audio recordings of vocabulary, and example sentences. You will quickly learn to read, analyze, see word associations, and understand the link between language functions and linguistics structures in French.

Nexos (Looseleaf Version with Audio CD) Sheri Spaine Long 2009-01-02 Help your students connect to the language and cultures of the Spanish-speaking world with the completely integrated print and digital components that comprise the 2nd Edition of the NEXOS program. High-interest cultural themes and related activities encourage students to engage in meaningful communication using interpersonal, interpretive, and presentational modes. NEXOS' realistic pacing of material, easy-to-use grammar, practical vocabulary, and an engaging storyline video?which contextualizes grammar and vocabulary?all work together to help students gain confidence and move quickly toward proficiency. Whether you teach a traditional classroom course, a hybrid course (combination of classroom and online), or an online distance-learning course, the 2nd Edition of NEXOS offers solutions through carefully integrated resources that can be combined in any way, giving you the freedom to easily use the NEXOS program to teach your course your way.

Danigo! French Grammar Reorganised Ian H. Magedera 2004 A workbook and textbook, intended for intermediate, advanced and adult learners of French, has been written by an instructor with many years experience in direct response to the difficulties experienced by students. It teaches grammar by means of comparisons between French and the structures of spoken English.

The Book of the Thousand Nights and a Night Richard F. Burton 2008-02-01 Captain Sir Richard Francis Burton KCMG FRGS (1821-1890) was an English explorer, translator, writer, soldier, orientalist, ethnologist, linguist, poet, hypnotist, fencer and diplomat. He was known for his travels and explorations within Asia and Africa as well as his extraordinary knowledge of languages and cultures. According to one count, he spoke 29 European, Asian, and African languages. He was a captain in the army of the East India Company serving in India. Following this he was engaged by the Royal Geographical Society to explore the east coast of Africa and led an expedition guided by the locals which discovered Lake Tanganyika. His best-known achievements include travelling in disguise to Mecca, making an unexpurgated translation of *The Book of One Thousand Nights and a Night*. Burton was considered a controversial figure in his day; many considered him a hero, others jealous of his achievements called him a scoundrel. Burton remains possibly the greatest explorer ever because of his remarkable research and uncensored documentation of the lifestyles of the various cultures he encountered in his adventures.

Manual of Deixis in Romance Languages Konstanze Jungbluth 2015-10-16 Deixis as a field of research has

generated increased interest in recent years. It is crucial for a number of different subdisciplines: pragmatics, semantics, cognitive and contrastive linguistics, to name just a few. The subject is of particular interest to experts and students, philosophers, teachers, philologists, and psychologists interested in the study of their language or in comparing linguistic structures. The different deictic structures – not only the items themselves, but also the oppositions between them – reflect the fact that neither the notions of space, time, person nor our use of them are identical cross-culturally. This diversity is not restricted to the difference between languages, but also appears among related dialects and language varieties. This volume will provide an overview of the field, focusing on Romance languages, but also reaching beyond this perspective. Chapters on diachronic developments (language change), comparisons with other (non-)European languages, and on interfaces with neighboring fields of interest are also included. The editors and authors hope that readers, regardless of their familiarity with Romance languages, will gain new insights into deixis in general, and into the similarities and differences among deictic structures used in the languages of the world.

A Complete Grammar of Esperanto (illustrated) IVY KELLERMAN Illustrated with 10 images. This book will be a descriptive grammar of the Esperanto language invented by L. L. Zamenhof, which will be complete and comprehensive in regards to a) the grammar of Esperanto as first outlined by Zamenhof in *Fundamento de Esperanto* and other foundational documents, and b) Esperanto as it is spoken today by the most committed Esperantists. (Proposed reforms to the Esperanto language will be discussed if they have serious support from a significant fraction of Esperanto enthusiasts). This book was started practically on a dare from the August 2006 issue of *Bob's Poetry Magazine*, in which Robert Happelberg boasted that he could print a complete and comprehensive grammar of Esperanto in just one 6 by 7 inch page. While this is obviously wrong, it's not too far off the mark. When completed, this book will require several standard size (8.5 by 11 in the USA) pages, but will still be much shorter than a complete grammar of a natural language like English or Slovene. In view of this goal, the number of examples provided for each concept will be kept to a bare minimum. Those wishing to build their Esperanto vocabularies are also referred to the Esperanto textbooks. It is acceptable in the beginning to word the text in an accessible manner like in a textbook, but the goal should be for all the text to be technical with a full command of linguistic jargon.

A Polyglot of Foreign Proverbs Henry George Bohn 1889
Plazas Robert Hershberger 2010-11-12 Provided to instructors to share with students at their own discretion, the Answer Key provides answers to all activities in the *Workbook/Lab Manual/Video Manual* and is accompanied by the printed transcript of the Lab Audio and Video Transcript. Based on reviewer feedback, audio is shortened and simplified in this edition to be more comprehensible to introductory students.

Plazas Robert Hershberger 2001 *Plazas* is based on the premise that true, authentic communication takes place where language and culture meet. In the real world, plazas are about meeting and connecting, and are, therefore, at the very heart of each and every Hispanic city. Likewise, *Plazas* was designed to bring you and your students together to communicate and interact. Invoking the metaphor of the plaza, *Plazas* intends to be a meeting place, a *lugar de encuentro*, for the Spanish-

speaking world both in and outside of the classroom.
Plazas: Lugar de encuentros Robert Hershberger 2007-10-03 At the heart of every Spanish-speaking community, the plaza is a place for people to come together and connect. Inspired by this metaphor, *PLAZAS: LUGAR DE ENCUENTROS* draws students into the study of Spanish by creating a meeting place in every classroom. Each chapter of this successful beginning Spanish program unites the latest in language research with the reality of students and classrooms today, providing opportunities for real-life communication using the rich and colorful threads of Spanish-speaking cultures. With each chapter students are transported to a Spanish-speaking country or region for an authentic, personalized cultural language-learning experience. With this approach, culture is embedded into every page of *PLAZAS*, giving your students an appreciation of different cultural practices and perspectives. This Third Edition features the increased use of visuals throughout to enhance authenticity, aid in comprehension, address the different learning styles of today's students, and ultimately promote acquisition of the language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Tu Diras Irm Gutierrez 1998-09

Modern French Grammar Margaret Lang 2004-08-02 This new edition of the *Modern French Grammar* is an innovative reference guide to French, combining traditional and function-based grammar in a single volume. Divided into two parts, Part A covers traditional grammatical categories such as word order, nouns, verbs and adjectives and Part B is organized around language functions and notions such as: giving and seeking information describing processes and results expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition of the *Grammar*, this second edition includes clearer explanations and greater emphasis on areas of particular difficulty for learners of French. This is the ideal reference grammar for learners of French at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is assumed and a glossary of grammatical terms is provided. This *Grammar* is complemented by the *Modern French Grammar Workbook Second Edition* which features related exercises and activities.
