Revisiting Renoir, Manet and Degas Lyutsiya Staub

2019-12-16 This work analyses the relationship between visual art and contemporary art fiction by addressing the problem of the ekphrastic representation and re-interpretation of an Impressionist figure painting through its composition, selected details of the painting and

allusion to specific techniques used in the process of creating the masterpiece based on the examples of the following novels: Luncheon of the Boating Party (LOTBP) by Susan Vreeland (2007), Mademoiselle Victorine (MV) by Debra Finerman (2007), With Violets (WV) by Elizabeth Robards (2008), Dancing for Degas (DFD) by Kathryn Wagner (2010) and The Painted Girls (TPG) by Cathy Marie Buchanan (2013).

Pierre-Auguste Renoir

Barbara Somervill 2008-09

Pierre-Auguste Renoir once wrote to a friend, "Although we don't eat every day, I'm still quite cheerful." Like many painters, Renoir was always happy with a paintbrush in his hand. He was a productive Impressionist artist,

creating more than 7,000 paintings, drawings, and sculptures during his lifetime. He had no interest in fame, just in painting beautiful pictures. "Why shouldn't art be pretty?" he asked. "There are enough unpleasant things in the world."

Art in the Frick Collection

Frick Collection 1996

Overwhelmingly, visitors agree that The Frick Collection in New York City is one of their favorite museums in the world. The elegant Fifth Avenue mansion, built in 1914 for Mr. and Mrs. Henry Clay Frick, houses a unique assemblage of some of the choicest art to be found anywhere. In this book, Charles Ryskamp - the Director of The Frick Collection - introduces the reader to the world of Henry Clay Frick, to the evolution of his collection, as well as to the historical and aesthetic framework within which The Frick Collection attained its

eminence. Then, in separate sections devoted to paintings, sculpture, and the decorative arts, written by the curatorial staff, the pages of Art in The Frick Collection offer vibrant reproductions of the famous works, with information on every piece illustrated and magnificent views of the richly furnished room where they are installed. As Sir John Pope-Hennessy has observed: "In The Frick Collection, alone of the great museums of the world, paintings and sculpture of comparable quality are shown side by side". Paintings by Rembrandt, Vermeer, Memling, Velazquez, Constable, and Renoir hang next to some of the finest of Renaissance bronzes, marble portrait busts by such sculptors as Verrocchio and Houdon, and eighteenth-century terracotta figures. Furniture of wood and marble, gilt bronze and porcelain - including pieces made for

Marie-Antoinette - match these in importance. Readers will enjoy browsing through this selection of the treasures to be seen in the house built by Mr. Frick, offered here in the most extensive one-volume survey to be published on the renowned Collection.

Impressionist Cats & Dogs

James Henry Rubin

2003-01-01 Many

Impressionist paintings of modern life and leisure include images of household pets. Their appealing presence lends charm to such works while alluding to middle-class prosperity and the growing importance of animals as family members. In many cases, such domestic denizens significantly complement representations of their owners. In certain others, the devotion of individual artists to their pets symbolically enhances their expressions of artistic identity. This enjoyable and informative book focuses on the role of pets in

Impressionist pictures and what this reveals about art, artists, and society of that era. James H. Rubin discusses works in which artists paint themselves or their friends in the company of their pets, including several paintings by Courbet (who was fond of dogs) and Manet (a notorious lover of cats). He points out that in some works by Degas, dogs contribute to the artist's commentary on psychological and social relationships, and that in paintings by Renoir, dogs and cats have playful and erotic overtones. He also offers a theory to explain why Monet almost never painted pets. Drawing on early pet handbooks and treatises on animal intelligence, Rubin explores nineteenth-century opinions on cats and dogs and compares handbook illustrations to the animals shown in Impressionist works. He also provides fascinating information on

pet ownership and on the place of Impressionism in the long history of animal painting.

Peaceful Places:

Washington, D.C. Judy Colbert 2012-04-10 Native Washingtonians Judy Colbert and Denis Collins have grown up and lived amid some of the most exciting sightseeing in the country--in their own grand urban backyard. They share this knowledge in *Peaceful Places: Washington, DC*. Now readers can enjoy the sights without being elbow-to-elbow with visitors from around the country and the world. Their diverse peaceful "finds" unfold in 12 categories of tranquil spots: Day Trips & Overnights, Enchanting Walks, Historic Sites, Museums & Galleries, Outdoor Habitats, Parks and Gardens, Quiet Tables, Reading Rooms, Scenic Vistas, Shops & Services, Spiritual Enclaves, and

Urban Surprises. Readers will find places that please the senses of smell, touch, hearing, sight, and taste. In addition to the beautifully written site descriptions, the concise entries also include vital information such as locations for the nearest Metro stations or local parking facilities, admission charges (and any free times), and operating hours. Plus, the authors provide a "peacefulness rating" based on three criteria: always peaceful, usually quite tranquil, or peaceful during the times or seasons specified in the peaceful place entry description. The entries are arranged three ways: alphabetically by name; by category (see all 12 listed above); and by area (keyed to the guidebook's maps). That is so readers can pick a quiet spot according to interest, mood, and location. Although most of the attractions are in the downtown, National Mall, and northwest sections of

Washington, many escapes are located beyond those perimeters and on into Northern Virginia and Suburban Maryland.

Peaceful Places:

Washington, DC is not a coffee-table book. It's one to keep in the car, the briefcase, the backpack, or the purse. Whether the reader is a native, who has lived in D.C. long enough to be considered a native, or is a visitor with only a few hours between business meetings or a hectic tourist schedule, this book will be a treasured asset.

The Impressionists at Leisure Pamela Todd 2007

Draws on diaries, letters, memoirs, and the author's own observations to offer insight into how Impressionist masters reflected the civilization and sensuality of the nineteenth century, in a volume of paintings, photographs, and other ephemera that also evaluates the contributions of Impressionists and Impressionist-inspired

artists from other countries.

Renoir, My Father Jean Renoir 1962 In this delightful memoir, Jean Renoir, the director of such masterpieces of the cinema as "Grand Illusion" and "The Rules of the Game," tells the life story of his father, Pierre-Auguste Renoir, the great Impressionist painter. Recounting Pierre-Auguste's extraordinary career, beginning as a painter of fans and porcelain, recording the rules of thumb by which he worked, and capturing his unpretentious and wonderfully engaging talk and personality, Jean Renoir's book is both a

wonderful double portrait of father and son and, in the words of the distinguished art historian John Golding, it "remains the best account of Renoir, and, furthermore, among the most beautiful and moving biographies we have." Includes 12 pages of color plates and 18 pages of black and white images.

*The Collected Essays and
Criticism, Volume 3*
Clement Greenberg 1995-06
"No American art critic has
been more influential than
Clement Greenberg. The
high priest of 'formalism,'
he set in motion an
approach to art that has
remained prevalent for
nearly half a century. . . . In
much the same way that
Jackson Pollock elevated
American painting to
international renown, Mr.
Greenberg is the first
American art critic whose

European critics."—Deborah
Soloman, New York Times
"His work was so much a
part of the dynamics of
American culture between,
roughly, the end of World
War II and the mid-Sixties
that it can't be ignored. No

American art critic has produced a more imposing body of work: arrogant, clear, and forceful, a permanent rebuke to the jargon and obscurantism that bedeviled art criticism in his time and still does now."—Robert Hughes, *New York Review of Books*
